

Guard Group to Meet Thursday

Their goal to bring Company B, 1st battalion of the 162nd Infantry regiment of the 41st division and of headquarters detachment of the Oregon National Guard at the state office to their full complement, members of the mayor's committee for the National Guard recruiting drive will meet at the Spa Thursday noon.

At the meeting, called by the chairman for the mayor's committee, Robert H. Boardman, plans will be made for the part that the various committee members will play in the drive. Given first consideration will be the enlistment of enough men to bring company B to its full complement of 188 men and of the men for the headquarters detachment under Col. Francis Mason, with Maj. Tyrone Gillespie, the local officer in charge.

Klamath Falls Man Shot, Suspect Held

Fairbanks, Alaska, Sept. 23 (AP)—Richard O. Peargin, formerly of Klamath Falls, Ore., was in a hospital here today with a bullet hole in his abdomen.

Marshal Stanley J. Nichols said Robert L. Becker, operator of a special delivery service here, was arrested and charged with shooting at Peargin with intent to kill.

Nichols said Becker reported Peargin struck him early Sunday with a canoe paddle at the door of a wigan.

Hogs Go Begging On Portland Mart

Portland, Ore., Sept. 23 (AP)—Wholesalers' resistance to high meat prices was apparent today on the Portland market with the report that 650 of a total of 850 head of hogs was left over from yesterday's trading.

Only 200 of yesterday's 850-head offering at the North Portland livestock yard were sold.

Packers were refusing to pay more than \$30 per 100 pounds for pork, \$1 less than last week's closing price.

Picket Slugged In Labor Dispute

Portland, Ore., Sept. 23 (AP)—The first reported violence in the seven-week-old strike of machinists against the Leupold and Stevens company here occurred yesterday with the alleged slugging of an 18-year-old picket.

The picket, Walter Ludwick, said he was slugged as he attempted to take pictures of per-

sons passing through picket lines.

The company had previously advertised for employees. Meanwhile, pickets of the International Association of Machinists, independent, continued to "squirrel cage" picket the instrument making firm.

Geology Talk is Slated Wednesday

The Salem Geology society is presenting Lloyd Ruff of Portland as their speaker Wednesday at 8 p.m. at Collins hall on the Willamette campus.

Mr. Ruff has been industrial geology instructor at the University of Oregon for eight years and now is in the United States engineering corps. His present position is head of the geology department of the United States engineers.

His subject is "Western Montana" and will be accompanied by slides.

Mrs. Duncan Visitor
 Silverton—Mrs. Warren Duncan (Maude Price) of Lebanon is visiting friends and relatives in Silverton for two days this week. The family formerly lived in Silverton.

Legal Aid Clinic To Open October 15

The legal aid clinic, recently approved by the Marion County Bar association will open in Willamette university law school building October 15, according to decision reached by the bar association at its Monday meeting with services extended to any one living in the Salem trading area. Office hours will be from 2 to 4 p.m., Mondays through Fridays, with other hours by appointment. Supervision of the clinic will be by Dean Reese and Prof. Quinton

Johnstone, teacher at the law school, and senior law students of the university will interview applicants and refer their cases to local attorneys.

The clinic will provide legal aid free to deserving persons unable to afford to pay for such services. It will not handle cases involving bankruptcy, divorce cases, except where requested by the welfare commission, criminal cases, industrial accident cases, cases not deemed meritorious or where the applicants are reasonably able to pay for legal services. The bar association committee in charge of the clinic for the current year includes Donald Young, chair-

man; Wallace P. Carson, Charles H. Heltzel, Robert DeArmond, Stewart P. Reese, dean of the law school, and E. O. Stadler, Jr., secretary.

The petroleum industry is expected to be spending some \$40,000,000 annually on industrial research within the next few years.

Twenty Year Guarantee and Replacement Policy
FOWLER ELECTRIC WATER HEATER
 with FOWLER "PORCELINED" TANK

TO THE OWNER:
 This certificate and yub. filled out by the owner and mailed to the Fowler Manufacturing Co., 2545 S.E. Gladstone St., Portland 2, Oregon for our signature within 30 days of date of installation of the water heater bearing number as specified below, will be returned and will represent our guarantee. If at any time the water heater covered by this guarantee should leak, fail, or break down as a result of rust, corrosion or other chemical action of the domestic water supply, or become inoperative within the guarantee period, provided it has not been subjected to excessive water pressure, excessive voltage, mechanical damage, or other abnormal circumstances, we guarantee to repair or exchange it for equivalent water heating equipment manufactured by us, conditional on the inoperative water heater being returned freight prepaid to the FOWLER MANUFACTURING COMPANY factory, subject to the following terms:
 During the first THREE YEARS from date of original purchase, we agree to repair or exchange it FREE OF CHARGE, including transportation costs to and from the FOWLER MANUFACTURING COMPANY factory.
 During the SEVENTEEN YEARS next following the above three-year warranty, we agree to exchange it (F.O.B. the FOWLER MANUFACTURING COMPANY factory) at the charge of one two-hundred-fortieth (1/40th) of the then current list price for each month elapsed since the original purchase date.
 We assume no liability hereunder for injury or damage to persons or property, or for labor charges, or be obligated other than stated herein. It is our aim to build as perfect a water heater as possible. This guarantee is your assurance of our sincere efforts.

THERE'S FAR MORE VALUE IN A FOWLER

FOWLER Electric HOT WATER

FOWLER'S SPECIAL FEATURES MAKE THIS GUARANTEE POSSIBLE

Hard to believe? Not when you have owned a Fowler for long. Its superior construction, proved performance and years of trouble-free service enable Fowler to back this electric water heater with a 20-year replacement guarantee. Fowler's modern water heater is made from start to finish in the great Fowler plant—where careful selection of materials and workmanship is insured. Fowler is the pioneer maker of electric water heaters, with over a 33-year record of research and manufacturing experience.

With a Fowler you pay only for the actual years of service received. Order now the electric water heater with the 20-year replacement guarantee. You'll receive the greatest value possible in a water heater.

ONLY THE FOWLER HAS THESE 12 FEATURES:

1 Built of heavy gauge iron.	5 Black heat elements—longer life.	9 Lustrous enamel finish.
2 Pre-stretched tank.	6 Dead air insulation.	10 Low operating cost.
3 Porcelain lined—resists rust.	7 Sag proof insulation.	11 20-year replacement guarantee.
4 Pressure tested.	8 Economy temperature control.	12 Aluminum heat reflector.
