Ormand R. Bean, who Wednesday filed for the republican nomination for state treasurer.

Ormand Bean Files for Office

Ormand R. Bean, Portland, former public utilities commissioner and for six years city commissioner of Portland Wednesday filed his candidacy for the republican nomination for state treasurer.

Mr. Bean was born in Eugene, the son of Federal Judge Robert S. Bean, and attended Salem high school and Willamette university, followed by a course in engineering in the University of Oregon and a special architectural course in the Massachusetts Institute of Technology.

During World War II he served as regional director, Office of Defense Transportation in Hawaii and in Puerto Rico and for 14 months served in the foreign auxiliary service of the department of state.

Mr. Bean is the first to file for the state treasurer's post although Sigrid Unander, young republican, has announced his candidacy and State Senator Walter Pearson has indicated he will seek the democratic nomination for state treasurer.

Mayor Champions Cause Of 'Hot Rods' on Strip

The "hot rod" is a hot subject in Salem and about everywhere else just now. And the hot rod boys have a friend in Mayor Robert L. Elstrom, who is still young enough to have a good deal of sympathy for the youngsters.

The question has been brought to the front within the last week with the boys on the short end of an order barring them from driving their souped-up cars on the little-used Aurora emergency airplane landing strip in the north end of Marion county. The strip has a hard surface and is fine for speeding the freak cars. "No Trespassing" signs have now been posted against the boys.

"Let the boys have their hot rods and let them have a place to drive them," says Mayor Elstrom. "It is important, of course, that they be kept off the streets and highways where they become a danger to traffic."

"I enjoy watching the boys work on their hot rods. They get greasy and dirty and thoroughly engrossed in their work. They do it because they are mechanically-minded, and they produce some remarkable results. I would much rather see a boy working on a hot rod than doing a lot of other things that enforced idleness might cause. And idleness is sometimes caused by too much suppression of the boys in the things they like to do."

A hot rod is most any old automobile worked over and geared up to a degree where it is capable of high speed. Some of the cars are low-lung with chromium-plated parts, and occasionally of fine enough amateur workmanship that they are worth good money in the market.

The cars are one-seaters. The driver may have his girl friend or a male companion with him, but he hasn't room for a riotous crowd that is likely to cause accidents.

Arabs Renew Attack On Jewish Village

Jerusalem, Jan. 21 (AP)—Arab fighters struck again today at the Jewish settlement of Yehiam, northeast of Acre, in a renewal of yesterday's machine gun and mortar attack which cost 16 lives.

Jewish sources in Jerusalem said they had been in telephone contact with Yehiam—one of 19 Jewish communities outside the boundaries of the proposed Jewish state—since the attack began.

They said they were told "some 500 Arabs, all in uniform, some with steel helmets and under the command of Iraqi, German-trained officers, began firing at the settlement from trenches they dug yesterday."

Nine Jews and seven Arabs died in yesterday's day-long fight which was finally broken up by the appearance of army

and police units from Acre. The Arabs apparently were trying to wipe out the settlement.

Union Labor Meets Slated

The Oregon State Building Trades council and the Oregon State Painters conference will both be in session here this week, including Sunday, and in addition there will be a meeting of the State Council of Labor, a connection of the building trades, Saturday morning at 9 o'clock. The meetings will be at Salem Labor temple.

The painters conference will meet Thursday and Friday, and the Building Trades council Saturday and Sunday. The conference comprises 10 districts in the state and Salem is in the No. 3 district. It is expected about 150 delegates will be present, most of them accompanied by their wives. A banquet meeting will be held at the Marion hotel Saturday night at 7:30. Mayor Robert L. Elstrom will be a speaker at one of the sessions.

Volney Martin of Portland is president of the Building Trades council; Charles Cray, formerly of Salem, now of Medford, is vice president, and John O'Neill of Portland is executive secretary. F. D. Van Sweringen of Salem is a member of the executive board for district No. 3.

The State Council of Labor meets every six months and the session here Saturday will be the semi-annual meeting.

Bids Called for Road Construction

The state highway commission called for bids today on seven projects costing \$600,000, with bids to be opened in Portland February 2 and 3.

The jobs are in addition to the \$600,000 worth of projects for which bids were called last week.

Among projects are: Lincoln county—5.37 miles of rock surfacing and 10.6 miles of oiling of Hatchery Creek-Benton county line section of Alsea highway.

Lincoln county—Construct 260-foot reinforced concrete and steel girder viaduct over Salmon river on Oregon Coast highway.

West Point Date Extended
National Guardsmen wanting to go to the United States Military academy at West Point have until February 1 to apply, according to Oregon's adjutant general, Brig. Gen. Thomas E. Riley, who announced the extension of the date Wednesday. Applicants must have one year of service in the National Guard in addition to meeting physical and academic requirements.

Completes Course
From Pensacola, Fla., has come word that PhOM 3/c, son of Mr. and Mrs. W. G. Jenkins of route 8, Salem, has completed a course of instruction at the naval school of photography there.

Tito Declares
(Continued from Page 1)
"Hundreds of thousands of their companions who live in our midst spy on us from London and Washington through yet undiscovered channels," Tito was quoted as saying. "Comrades, these things must be stopped at all costs."

The report then quoted Tito as saying: "I have no wish to interfere in matters of religion, but when priests will toll alarm bells, there will be wholesale insurrection and it must not be overlooked that the farmers are very well armed."

Washington Silent
Washington, Jan. 21 (AP)—The report by a Trieste newspaper that Marshal Tito claims Yugoslavia has atomic bombs produced the customary deep silence in official quarters here today.

Spokesmen for the atomic energy commission said that, as in the case of previous similar reports from Russia and elsewhere, there would be no comment on the Trieste story.

Officials have taken the position that to comment in any manner would be to react to obvious "fishing expeditions" by other nations who seek to learn how much the United States knows of their progress in atomic research or lack thereof.

Brooks Fire District Files Annual Report

Nathan J. Kurth, secretary-treasurer of the Brooks Rural Fire Protection district, has filed his annual report on financial affairs of the district with County Clerk Harlan Judd showing receipts of \$8821.05, including balance of \$4825.04 carried over from the preceding year with expenses totaling \$7521.28 and balance on hand at the end of the year of \$1299.77.

Accompanying the annual report is another financial statement covering fire pump and hydrant installation in the warehouse area showing income for that purpose for 1947 as \$2988.94 with expenditures of \$3874.88 or deficit of \$885.94. However, the report shows the deficit was taken up by \$250 from Phil A. Lively and \$635.54 advanced from the district.

Receipts for the fire pump and hydrant installation costs also showed \$1000 from Labish Cold Storage company, \$100 from Drayton Lumber company and \$1888.94 carried over from 1946.

The American Plains Indian was a stone-age man before the coming of the white man.

The construction of the Panama canal, one of the world's most difficult engineering feats, was accomplished by the United States Army in eight years.

Last Rites for Oren Stratton

In failing health for the past few months, Oren Stratton, 83, retired merchant and farmer, and resident of Salem for about 25 years, died Monday evening at a local hospital, where he had been confined since the first of January.

Stratton, who was active in farming until the last few years, was born in Madison, Wis., April 15, 1864, and came to Oregon to make his home in 1903. For about 20 years prior to removing to Salem and retiring he was a farmer near Brownsville, Oregon. He was a member of the board of the First Methodist church and member of the AF and AM of Carthage, South Dakota.

Surviving are the widow, Lulu Stratton of Salem, a son, Byron E. Stratton of Salem; a brother, Byron Stratton of Ukiah, Calif.; a sister, Mrs. Henry Seeman of Deer River, Minn.; two grandchildren, Mrs. Jeanette Boardward and Allen M. Stratton, both of Salem; and a nephew, Clarence Stratton of Salem.

Funeral services will be held Thursday, January 22, at 1:30 p.m. at the W. T. Rigdon chapel with concluding services in Belcrest Memorial park. Rev. Brooks Moore will officiate.

Educator to Attend Eastern Meeting

Egbert S. Oliver, professor of English at Willamette University, is leaving Salem Friday to attend the annual Missions Council meeting of the Congregational Churches in Grand Rapids, Michigan, Jan. 26-29.

Dr. Oliver is a director-at-large for the United States on the Board of Home Missions, serving his second term. He is also a member of the Committee on Religious Education.

Returning from Grand Rapids, he will stop off briefly at the University of Wisconsin where he will visit some of the English professors there for discussion of problems in American literature. Dr. Oliver will visit his brother Kenneth, a graduate of Willamette in 1935, who is teaching comparative literature at Wisconsin. He will also go to the University of Washington en route home, returning to the campus February 3.
