Stocks Decline Irregularly

New York, Jan. 21 (AP)—The
stock market slipped into lower
ground today as rallies in rails
and air transports failed to carry
through.
Many early gains registered
by carrier and air line issues in
forenoon trading were trimmed
or converted into losses by mod-
erate late selling. Other groups
ahead at times included oils and
farm implements. Narrow declin-
es were widely distributed near
the close. Total transfers
expanded to the neighborhood of
900,000 shares.

New 1947-48 lows were touch-
ed by Paramount Pictures, and
Eastman Kodak. Also skidding
to losing territory were Pacific
Western Oil, U.S. Steel, General
Motors, Douglas Aircraft, U.S.
Gypsum, Union Carbide, Johns-
Manville and International Nick-
el.

Rails were propped by ap-
pearance of some favorable 1947
earnings estimates and optimis-
tic forecasts of 1948 results. A
rise in zinc prices aided some of
the metal issues. Trading was
reported largely fractional.

Bonds were steady. Wheat at
Chicago closed 3/4 of a cent a
bushel lower to 1 cent higher,
corn unchanged to 2 1/2 lower,
oats 1/4 down to 3/4 up. Cotton
near the finish was off \$1.20
a bale to up 10 cents.

Markets Briefed
(By the United Press)
Stocks lower in active trading.
Bonds irregular; U. S. govern-
ment not to trade.
Curb stocks irregular.
Wheat futures closed up 1
cent to off 3/4 cent; corn un-
changed to up 2 1/4 cents; oats up
2 3/4 cents to off 1/4 cent.
Hogs and cattle lower; sheep
steady.
