

Co-operative Program Plan Of Republican Party Here

All general activities pertaining to republicanism, especially during the coming campaign, are to be carried out in a co-operative program among the various GOP organizations of the county, it was decided at a meeting of the executive group of Marion county republican central committee Tuesday night at the courthouse.

Missing Girl Found in Hotel

San Francisco, Jan. 21 (U.P.)—Jacqueline Horner, 14-year-old Hollywood piano prodigy who has been missing for a week, was found here today in a hotel room with a sailor, police reported.

Inspector Joe Norton said two other officers, acting on a tip, located the girl in a hotel room with Wallace Wells, 19, a sailor stationed at Hunters Point here. Wells was booked on charges of violating the state welfare and institutions code, which covers offenses involving minors.

Norton quoted the girl as saying she voluntarily left home last Tuesday after an argument with her mother. Norton said Jacqueline told him she was "tired up all the time, couldn't ever go any place and was tired of it."

Norton said she told him she had to spend all her time studying concert music, and had no chance to go out as other young people did.

4-H Training Meet In Stayton January 24

Anthol Riney, 4-H club leader, advises that a 4-H training meeting will be held at Stayton high school January 24 starting at 10 o'clock with Cal Monroe and Miss Esther Taskerud, assistant state club leaders, participating. He asks that leaders, club members, parents or any one interested in club work be in attendance.

The program includes opening with a general assembly, wood-working discussed by Cal Monroe; forestry by Mrs. Athel Gulvin; clothing 1A and B by Constance Hampton; clothing III and IV by Esther Taskerud; rose and flower beautification, Anthol Riney; bachelor sewing and knitting, Mrs. Hampton; camp cookery, Miss Taskerud, all at the morning session. Following lunch, to be brought by visitors, with coffee furnished, the program will continue with Constance Hampton discussing matters pertaining to clothing II, III and IV accompanied by showing of a film, "Pattern for Smartness," and Esther Taskerud will discuss clothing I and II, followed by health and posters by Cal Monroe and livestock by Anthol Riney. The meeting will close with a general assembly and national contest announcements.

The next training meeting will be held at Mt. Angel, January 31, at St. Mary's school. This meeting will not have forestry but will have a session on home-making I, II and III with Mrs. Carmelitte Weddle. The series will close February 7 at the YMCA and be similar to the first one.

Stassen to Visit Valley Towns

In addition to speaking before students of Willamette university February 20, Harold E. Stassen, Minnesota ex-governor and republican candidate for president, will make short visits in a number of Willamette valley towns, according to announcement Wednesday by Robert A. Elliott, state manager for Stassen.

Elliott said that Stassen would appear in Stayton, Scio, Lebanon, Sweet Home and Brownsville, before proceeding to Eugene where he is scheduled to speak to editors and publishers at the annual banquet of the Oregon State Publishers association.

Stassen's tour of the valley is believed to be the first time that a major presidential candidate has scheduled actual stops in the towns of the valley taking out time to meet with the townspeople.

Men and women are to be contacted in Marion county to remind them of their responsibility as leaders in their individual precincts to get people out to register. B. E. (Kelly) Owens presided as chairman of the meeting and attending as a representative from the Young Republican club was Jack Hay.

East Salem Group Backs Community Building Plan

East Salem, Jan. 21—Residents of Middle Grove community who were in attendance at the monthly meeting of the Community club at the school house went on record by a vote as in favor of building a hall for a community center.

The speaker for the evening program was Gurnee Flesher, assistant principal of the senior high school in Salem. He spoke of the advantages of a real community center in any district. Following the address C. Steers showed a moving picture which gave the history of the Coca-Cola industry and the manufacturing process in making the drink. Music for the program was accordion numbers. Earl Malm was program chairman for the evening and Mrs. Louis Patterson, Mrs. Leona Green and Mrs. Ted Kuenzi served on the refreshment committee with free Coca-Cola being served by Mr. Steer.

The special meeting of the Rickey Garden club held at the community hall at the Four Corners was for the purpose of electing a representative to the community meeting of all clubs and organizations which use the hall, called by the Business Men's association. Mrs. Harvey Meyers was chosen as the Rickey Garden club representative.

Two home extension units of East Salem will meet this week on Friday. Edina Lane members will meet at the Four Corners community hall for the lesson on "Making of a Footstool." Several members of the Lansing Neighbors unit who did not quite complete their stools at their meeting will bring their work for completion. Meeting opens at 8 a.m.

Also on Friday at 10:30 members of Lancaster unit will meet at the home of Mrs. Hazel Case. Their lesson will be "One Dish Meals" and will be given by project leaders.

Mr. and Mrs. Glenn Larkins who have sold their home on Hollywood drive are moving this week to their home on South Winter street in Salem.

Miss Barbara Richardson, a student at the University of Oregon, was at the home of her parents, Mr. and Mrs. W. E. Richardson, on Garden road this past week-end.

Pemmican, a food used by pre-Columbian American Indians and by explorers today is a mixture of dried meat and fat.

Explosion Kills One, Injures 3

Corvallis, Ore., Jan. 21 (U.P.)—An explosion followed by a flash fire left one woman dead here today and three other persons in the Corvallis general hospital in serious condition.

The dead woman was Mrs. Mack Andrews, 67. Mrs. Andrews' husband, about 60, and two young Oregon State college students, Mr. and Mrs. Joseph Sabo, both of Klamath Falls, were in Corvallis general hospital with burns classified as "serious."

Corvallis firemen said the explosion and fire resulted from efforts by Sabo to repair a butane tank in his trailer at a camp south of here. The tank exploded enveloping the Andrews' and Sabo's trailers in flames.

The Pay-Off in Lighting

BETTER LIGHTING in the home, store or shop can not be considered as only a utility. It creates an atmosphere which lends itself to better health, more alertness and more efficient work. Psychologists have proven that 87% of our impressions reach us thru the eyes and that 21% of the energy spent by the average human body is used in seeing. Poor lights, faulty distribution or Shadows overtax the eyes causing headaches, tired feeling and also affects the nervous system. Do you work in the SHADOWS? SEE THE LIGHT! Provide adequate lighting for your employees. We compute the correct number of Lumens required for lighting various sizes of rooms and different types of Businesses.

CHEVROLET and ONLY Chevrolet IS FIRST!

FIRST in PRODUCTION, in SALES and in REGISTRATIONS of cars and of trucks

FIRST in Passenger Car Production in 1947—according to published production figures.

FIRST in Truck Production in 1947—according to published production figures.

FIRST in Passenger Car Sales in 1947—according to incomplete but conclusive sales records.

FIRST in Truck Sales in 1947—according to incomplete but conclusive sales records.

FIRST to Produce over a Million Cars and Trucks in a postwar year, 1947—according to published production figures.

FIRST in Total Passenger Car Production and Sales for the total 17-year period, January, 1931 to January, 1948—according to published nation-wide figures.

FIRST in Total Truck Production and Sales for the total 17-year period, January, 1931 to January, 1948—according to published nation-wide figures.

FIRST in Total Number of Cars and Trucks on the road today—according to official nation-wide registrations.

WE, YOUR LOCAL CHEVROLET DEALER—and every other Chevrolet dealer in America—are both proud and happy to make the following report to buyers and prospective buyers of Chevrolet products.

Again in 1947, Chevrolet built and sold more cars and more trucks than any other maker in the industry, just as Chevrolet has built and sold more cars and more trucks than any other maker for the total seventeen-year period, dating from January, 1931 to January, 1948—the modern period of motor car history!

Naturally, we as well as the Chevrolet Motor Division of General Motors are deeply grateful for America's outspoken preference for Chevrolet passenger cars and trucks; and we are determined to do everything in our power to continue to deserve this preference in the future as in the past.

We want to thank each and every person in this community for his friendship and goodwill for this organization. We solicit and appreciate your patronage. We are doing our level best to prove that, by filling orders for new Chevrolets just as promptly as we can—even under today's trying conditions—and we are deeply and doubly appreciative of the patience and understanding of all our customers who are awaiting deliveries of new Chevrolets.

Needless to say, you buy wisely when you buy the product of the world's largest producers of cars and trucks, for that is the way to maximum dollar value! Rest assured that we'll fill your order for a new Chevrolet just as soon as it is humanly possible to do so. Meanwhile, please let us help to keep your present car or truck in good running condition by bringing it to us for skilled service now and at regular intervals.

Douglas McKay Chevrolet Co. 510 No. Commercial St., Salem, Oregon
