Rally Brings Wheat Highs

Chicago, Feb. 21 (AP)—After a slow start, grains rallied on the board of trade today. Wheat led the advance which carried the bread cereal several cents above the preceding close.

There was no news development to account for the late buying. Brokers said it was mostly short-covering prior to the long week-end closing. The market will not be open Monday, Washington's birthday.

Private cables from Europe said weather was very cold. Little fear of crop damage was expressed, however, because moderate to heavy snow has fallen to protect the crops.

Wheat closed 2½ to 5 cents higher, May $2.35¾-2.36; corn was 1¼-2½ higher, May $2.11¾-2.12; oats were ⅝-1½ higher, May $1.05⅜-¾; and soybeans were ½ lower to ½ higher, March $3.32½.

Holstein Cow Milk Producing Champion

London, Ont., Feb. 21 (AP) — Loneim Texal Happy, an eight-year-old Holstein cow, was crowned the world's milk producing champion last night by the Dominion Holstein Breeders association.

Happy, owned by R. M Berry, of Grove, Ont., has produced an average of 30,000 pounds of milk a year over a period of three years on three daily milkings, association officials said.

Her yield yesterday, on the last milking of the third year, was 25 pounds. That brought her total for 1947-48 to 30,284 pounds of milk and 1,170 pounds of butterfat.

In the three years, the association said, Happy has produced 91,641 pounds of milk and 3,357 pounds of butterfat.

The association identified Happy's chief rival for the world crown as Colantha Tidy Matador, owned by Morningside hospital, Portland, Ore.

Market Break Sends Price of Foods Down

Washington, Feb. 21 (AP)—The market break sent food prices down 3½ percent, the bureau of labor statistics reported last night. But other consumer items appear to be holding at postwar record highs.

The official report is the government's first appraisal of the commodity market slump. It seemed to promise no sharp drop in the overall cost of living.

Even in foods the major declines centered in a few items. "Others have been only slightly affected and some have even increased," said the statement. It was signed by Ewan Clague, commissioner of labor statistics.

Silverton—The Edlund Electric shop installed a new stove in the Legion upstairs hall of Delbert Reeves post No. 7, promising more comfortable environs for members and guests of the group at their regular meetings. The installation was ordered by the members of the housing committee and the executive board at a

Stocks Advance Irregularly

New York, Feb. 21 (AP)—In one of the slowest sessions of the past four years, the stock market made some selective progress today although many leaders faltered.

There was a little further short covering for the lengthy week-end. Major markets will recess Monday in observance of Washington's birthday. Customers, on the whole, gave Wall Street a wide berth and boardrooms were virtually deserted.

Those who appeared still maintained a cautious attitude. There was a certain amount of nibbling for a technical comeback. Accounts were trimmed by those still skeptical regarding economic situations at home and abroad, taxes, labor and commodity fluctuations.
