

Murderers of Millions Found Guilty at Nuremberg

Nuremberg, Germany, April 8 (AP)—An American court ruled today that any soldier who murders innocent civilians is just as guilty as those who ordered him to do it.

With this finding, the tribunal wiped away the main defense of 22 SS (Elite Guard) officers charged with killing at least a million Jews, Gypsies, communists and "Asiatic inferiors" during Germany's invasion of Russia.

Forbids Parents To Ever See Son

Los Angeles, April 8 (AP)—Mrs. Shirleen Kunin, convicted slayer of her two-year-old daughter, was ordered barred today from ever again seeing her month-old son, born while she awaited trial.

The same bar, Superior Judge A. A. Scott ruled, applies to Mrs. Kunin's husband, Lawrence, a 27-year-old Beverly Hills salesman.

The juvenile court judge ordered the baby, Steven Dale, made a ward of his court and sternly declared:

"This is an unfit home by reason of neglect, cruelty and depravity of the parents. This baby has the right to grow up and not be treated worse than a cur dog."

Mrs. Kunin and her husband were in tears at his words.

The order was made after Deputy District Attorney

Adolph Alexander, who prosecuted Mrs. Kunin, was asked if the husband had been linked with any mistreatment of their daughter, Denise, who died December 15.

The prosecutor said there was testimony that Kunin had been present on some of the occasions.
