## All Grains Dip In Day's Trade

Chicago, May 29 (#) - All grains turned downward on the board of trade today, unsettled by showers in the wheat belt and a substantial cut in July export allocations. The mar-ket opened lower and never was able to get to the previous close. Losses ranged to a couple of

ents at times. Soybeans also were lower af-

ter several days of sharp up-swings. Traders said the re-action was mainly technical, although some raised a question as to whether the senate would get around to voting on the oleo tax bill before the ending of wheat closed 114-17% lower,

## **Pet Parade** At Silverton

Silverton, May 29-Threat of rain did not deter nearly 400 youngsters from turning out for the 17th annual pet parade Friday evening and the line of march was nearly completed before the first light shower fell. The parade, sponsored by Delbert Reeves post No. 7, American Legion, has been di-rected by F. M. Powell for the last 16 years.

The combined senior and junior high school bands led the youngsters through the business district. All those taking part were given theater tickets and were guests of Al Adams at the Palace theater for a special matinee Saturday morning.

Sweepstake honors went to three McCollie youngsters, Cousing, Leroy and Ralph, with a covered wagon float depict-ing scenery along the old Ore-gon Trail. The float was made by the boys who spent several weeks on their entry. Second place sweepstakes were awarded to the four sons of Mr. and Mrs. Joe Duncan and the three children of Mr. and Mrs. Eugene Smith, who appeared in rabbit costumes.

Third place was won by Carol Joy Byberg with a decorated tricycle

The paraders divided more than 150 prizes, including \$100 in cash and \$5 merchandise awards.
