

Dream Comes True—Her favorite movie star was in town and 11-year-old Sylvia Jane Uphaw, of Indianapolis, was bedridden with rheumatic fever. She wrote to the editor of the Indianapolis Star, and cowboy Roy Rogers and Trigger dropped in for a visit. An open porch window gave her a chance to pat Trigger's nose. (AP Wirephoto)

### Lebanon Gets Set For Chest Campaign

Lebanon — A goal of \$7100 was set for the 1948 Lebanon Community Chest drive by budget committee members, submitting their report to the chest board of directors.

Only items in excess of last year were amounts asked by the Boy Scouts, Girl Scouts, and a reserve fund of five percent of the budget, deemed advisable by the directors for emergency purposes.

Approved by the board is the following budget: State chest, \$2350; Boy Scouts, \$2000; Girl Scouts, \$1912; cancer drive, \$500; Lebanon chest emergency fund, \$338.

Dick Peters, board president, announced that plans for the drive are almost completed with opening date set for early October.

### Mongrel Pup Saves Lives at Lebanon

Lebanon—The insistent barking of "Fritz" six-month old mongrel pup saved six persons living in trailer homes in Lowe's downtown park from injury, or possible death, and loss of their possessions, when flames began sifting through walls of a nearby building.

Ronald Hix, owner of "Fritz," had planned to destroy the dog because of a long record of night barking.

He set up such an urgent clamor that the roused Lee Ervine in a neighboring trailer who noticed the flames and awakened residents. Occupants of the three trailers parked next to the burning community building were removed without injury.

A newly purchased Cadillac car was among possessions saved before flames destroyed the building. Trailer houses were saved by the Lebanon volunteer fire department.

Origin of the blaze was not known. Insurance amounting to \$2000 was reported carried.

### Jewish Holidays Will Be Observed Here

At 8 p.m., October 3, Jewish New Year services will be held at Temple Beth Shalom. The High Holiday services will be officiated by Rabbi Benjamin L. Marcus of Seattle.

Rosh Ha Shana, or the Jewish New Year service, will be concluded on Tuesday afternoon, October 5. Then on October 12 at 8 p.m. The Day of Atonement (Yom Kippur), the holiest of Jewish holidays will commence with concluding services on October 13, at 5 p.m.

Corn Harvest Over — Wheatland — Sweet corn harvest in the Crawley-Magee Wheatland average was finished Wednesday. Harvesting almost three acres of Croft Easter lily bulbs at the same place was started Thursday. The commercial size bulbs will be graded and remainder will be replanted in about three weeks in new land here.

**"Holly" Says**

Geese folks, wasn't he great! Dewey, that is. He has a wonderful personality and a pronounced determined square jaw. I liked that jaw in fact my horse has a square jaw and he's determined too, and my wife, now—oh, oh, better stick to selling jewelry; just wanted you folks to know I appreciated you waiting to get into the store last Monday so I could go up to the S.P. Station and see President Dewey. Oh, you say you're for Truman?—well, I'll tell you what I'm goin' to do. I'm going to arrange a little competitive betting. All the Truman boosters will bet a set of International Sterling from Holly Jackson's that he wins and all the Dewey followers will bet a set of International Sterling that Dewey will win. We will keep track of all the bets and will wrap up all the sterling silverware.

After the inaugural speech we will exchange any of the sets of sterling for anything of equal value in the store—like diamond rings, watches, electric clocks, sterling silver belt buckle sets, costume jewelry, watch repairing, sales—no eliminate that last one, we seem to go overboard in our endeavor to please our customers. Not too long 'til Christmas folks, a selection now, a payment now-and-again will mean the difference being a really nice gift and a gift.

### Students Given Fire Protection

While the Salem schools cannot be made fireproof every effort is made to see that the several thousand pupils and instructors are given adequate protection against disaster, said Superintendent Frank B. Bennett as he commented concerning measures taken to eliminate "fire traps." His statements were made in connection with nation-wide publicity being given fire prevention moves.

Fire drills held in all schools, indicate that the buildings can be cleared in from 45 seconds to two minutes, depending upon the location of the pupils at the time, the superintendent said. He added that the fire department is entirely co-operative in efforts to locate and eliminate fire hazards.

New buildings being contemplated will be constructed with an eye to safety and those contemplated for the Capitola and Four Corners districts will be of a single story with the maximum number of exits provided.

The frame Washington building, considered by many as a "fire trap" is in reality one of the easiest schools in the district to clear of pupils. It has four large stairways in the interior and four fire escapes on the outside.

Its maximum capacity has not been filled for a number of years.
