1. LIFTS AND LOWERS AT A TOUCH

You lift or lower a Dearborn Plow or any other Dearborn Lift Type implement by merely moving the hydraulic control lever. No straining, no tugging,

2. AUTOMATIC DRAFT CONTROL

Under uniform soil conditions the selected working depth will be automatically maintained even in fields with irregular surfaces.

3. AUTOMATIC DEPTH CONTROL Under reasonably smooth surface conditions, and practically all soil conditions just set the depth control once and uniform working depth is automatically maintained.
