

Polk Taxpayers Make Payments

Dallas—Receipts for one-third of Polk county's total 1948-49 property tax roll have been written, Sheriff T. B. Hooker stated after compiling figures through Tuesday of this week.

Total of the 2578 receipts is \$335,732.88, and an additional \$4,196.34 has been collected in delinquent taxes.

However, it is estimated that 85% of the tax roll of \$1,081,288 is in the sheriff's office, the bulk of it being in mail that has not been processed. Over ten boxes of mail is yet to be worked, and one full box contains nothing but blank checks, sent in by property owners who wished to take advantage of their rebate by November 15, but who had not yet received statements of their taxes.

With the deputies working full time on the mail, it is estimated that at least a month will be required to complete the job. Taxpayers of the Rickreall area are still looking for their statements, although Sheriff Hooker states that all statements were mailed on November 14.

It is believed that in the rush to get the bills out in time, one box was lost in the sheriff's office or somewhere in the mails. Those in the Rickreall area may find out the amount of their taxes by calling at or telephoning the sheriff's office.

Annual Cheer Fund Started at Dallas

Dallas—Start of the annual Christmas cheer fund has been announced by the Itemizer-Observer, which has sponsored the fund for many years.

Through donations of the public the fund is used to supply toys, candy and other items to poor families residing in the community. Last year's response to the fund appeal was below normal, but the call on the funds was heavier than usual. For this reason, the committee hopes for increased donations this year.

The Knights of Pythias lodge cooperates with the paper in distributing gifts and locating needy families. No home will be overlooked if information is received in time to make provision for it.

Usable toys that do not require extensive repairs may al-

so be donated for the Christmas cheer project. The appeal is made through the paper only, and donations are purely on a voluntary subscription basis.
