STOCKS QUOTATIONS 121: the Asidiated Pres

After Advance New York, Jan. 18 (P-The Anaconda Rendix Aviation Beth Steel Boeing Airplane market developed a wobbly streak today after a short-

Early gains were either lost or rimmed as the market slowly ttled down following advances of fractions to more than a point. Turnover was at the rate of 750,000 shares for the full ses

Stocks Decline

American Telephone moved against the downward trend and advanced more than a point at one time. AT & T has been in supply for the past three ses-sions, largely because of a department of justice anti-monop-

oly suit. Commonwealth Southern at tracted considerable interest. and was priced slightly higher most of the day.

Others among the steadier pots in cluded Studebaker, Voolworth, Douglas Aircraft. Dow Chemical, American Woolen, Standard Oll (N.J. Twentieth Century-Fox, $(N,J_{\cdot}), \quad \text{and} \quad$

Among the laggards were Bethlehem Steel, Philip Morris, International Paper, Boeing, and Glenn Martin.

Wheat, Corn Gain Slightly

Chicago, Jan. 18 (P----Wheat and corn scored minor gains at the board of trade today, but today, but other futures ranged lower.

Some buying in wheat was at tributed to milling interests against sales of flour in undis closed amounts to the United Kingdom.

Corn borrowed some of its strength from wheat. At the finish wheat was 1/4

o 3s higher than the previous close, May \$2,2478-14. Corn was 15 lower to 15 higher, May \$1.45-4518. Oats were 26 to 34 wer, May 72¹/₄-3₈. Rye was r lower, May \$1.64¹/₄. Soybeans were 1 cent to 212 lower, March \$2.42 %-42, Lard was 28 to 42 cents a hundredweight lower,

January \$14.20

Rabbits Pay Off

Wattsburg, Pa. UP-Thomas Coatham, Jr., has sold a pair of rabbits to the Atomic Energy commission for \$500. They're the only pair of "Eng

lish lop ears" in the United States. They will be used in experi-

ments requiring rabbits that cannot move their ears. A species of water-lily grow

ing in the Amazon has leaves so broad and firm they will bear the weight of a child.
