Police Work To Be Speeded

It won't be possible to "fix" traffic violation tickets when the police department installs machinery for processing them. It was authorized by the city council Monday night.

However, that isn't the actual reason for it.

Police work, like everything else in Salem, is growing. Sometimes there is a line of offenders waiting to present their tickets and leave their bail money. As it's now done the sergeant has to take the money, put it into an old-fashioned cash drawer and write a receipt by hand.

It's slow, City Manager Franzen told the council, and a speeding-up of the process is necessary. At a cost of about \$1,000 a cash register is to be installed. It will automatically make a triplicate record, showing the offense, amount of bail and other information. One copy goes to the offender, one to the police, and one to the city judge with the court docket.

Alderman Tom Armstrong moved that it be purchased, and Gilie seconded. All members were for it. It will be installed in about 60 days.

Deadlock on Perry, Cheek

The council deadlocked Monday night trying to elect a member of the civil service commission, with Kenneth Perry and Monroe Cheek as the candidates.

The election was made necessary by the recent resignation of Lyle (Barney) Page.

Perry was placed in nomination by Alderman Albert Gilie and Cheek by Alderman Tom Armstrong. Five votes were necessary to elect.

On the first ballot the vote was a tie at three each. In three more successive ballots Perry got four votes and Cheek two.

Then Alderman Dan Fry moved, and it was carried, that the election be tabled until the next meeting.

More Restrictions On Parking Voted

Further automobile parking restrictions were made by the city council Monday night east of 12th street.

A resolution was adopted limiting parking to one hour on State street between 13th and 14th, except on Sundays and holidays. The restrictions will be from 9 o'clock in the morning until 6 p.m. Alderman Gilie said it would make the district conform to restrictions recently placed on State between 12th and 13th, and was necessitated by several new businesses, including a bowling alley.

Another resolution by Gilie, which was adopted, made a two-hour limit on the west side of 12th street between Mill street and the Southern Pacific crossing over 12th. This, Gilie said, was at the request of business men who complain that cannery workers are in the habit of parking all day.

Another move in the interest of traffic safety was authorization of four-way stop signs at Market and 17th streets.
