

Keizer School Counts Cost Of Vandalism at Building

Keizer, April 27—Vandalism at the school house is estimated by the school board members in excess of \$75 and both school and police authorities are continuing the investigation. A total of 66 windows were broken in four rooms with the greatest damage in the three upper ones, particularly the sixth grade room which is in the rear of the school building where more than half the panes were broken. The music room was also damaged.

Sewing Club Meets

The Keizer Ladies' Sewing club met at the L. E. Gilkey home in Manbrin Gardens. Miss Ruth Rulifson assisted the hostess, Mrs. L. E. Gilkey in serving the noon covered dish luncheon.

High light of the afternoon was a plant sale. The plants were sold to the highest bidder by auctioneer, Mrs. Otto Yunker and a great deal of fun was had by the group in trying to out bid each other for the plants which were donated by the members of the club. In this manner over \$17 was raised which will be given to the Keizer community church for their building fund.

Two guests were present, Mrs. J. P. Maritz and Mrs. P. E. Gurske. Members present Mrs. Nick LeRud, club president, Mrs. Luther Melton, Mrs. Harry Vasey, Miss Echo Hall, Miss Alto Hall, Mrs. John Derrick, Mrs. Ben Cloggett, Mrs. J. A. Gardner, Mrs. Ray Melson, Mrs. J. E. Whitehead, Mrs. Elmer Iden, Mrs. Mary Sloan, Mrs. A. E. Cummings, Mrs. Alto Yunker, Miss Ruth Rulifson, Mrs. Frances Huffman and the hostess, Mrs. Gilkey.

PTA Session Calls

Mrs. Ralph B. Sipprell, president of the Marion County Council of Parents and Teachers, left for Eugene to attend the 38th annual convention of the Oregon Congress of Parents and Teachers which opens Tuesday and will continue through Thursday. Mrs. Sipprell, who is also a member of the board of managers of the Oregon Congress, attended a pre-convention conference of the board which was held on Monday afternoon at the Eugene hotel convention headquarters.

The planning committee of Cub Pack 41 met for their April meeting at the home of Mrs.

Pete Nebraja. Plans were made for the April pack meeting.

Crude Smudge Pots Prove Effective

Unionvale — Smudge pots were used in various strawberry fields because of the low thermometer readings. Those reporting were U. S. Alderman, 89 acres strawberries; Jack Downey, 16½ acres strawberries; L. W. Scoggan more than 10 acres strawberries.

This smudge-pot usage is new in this area and equipment while crude has proven efficient in the use of buckets of sawdust saturated with oil, old bales of straw also saturated with oil were reported.

Addition at School Attracts Visitors

Salem Heights — Many persons visited the new addition of the Salem Heights school last Monday night.

Bonds for the project were voted last June with the sum being \$35,000. The contract was given to Nelson and Smith. The new addition is constructed of pumice blocks, with a solid concrete floor and covered with tile. Construction was started last October and was ready for the fifth and sixth grades on April of 1949. It has two class rooms, a library, two lavatories, a supply room and a furnace room. In 1946 the school had only six rooms; now it has ten, all of which are in use. The school will have a music program in honor of Music week on May 6 and will hold open house at that time.
