Socialized Medicine Is Here, Says Gill

Lebanon — Socialized medicine is in the future, stated Rep. Warren Gill, speaking before the Santiam Realty board Monday evening. "Socialized everything is coming. If you don't like it, it's too bad. It's coming."

Thus the legislator summed up his concept of the future. Socialism is not desirable, stated Gill, "it is going to increase our taxes."

The speaker also related several events during the recent 97

day session of the Oregon legislature. Bills he helped draw up, and reasons why bills were passed or defeated were explained.
