

Albany School Contract Let

Albany, April 28—Ending a long session of discussions over terms and details of the Albany grade school bids the district No. 5 board of directors Wednesday awarded to the Ken Ward Construction company of Portland the contract for erections of the three projected buildings.

The Ward bid was \$571,595.12, well under the \$575,000 ceiling the board had established, but the school officials were thrown into a quandary when it was found that the Edwards Brothers, local contractors, had tendered a bid of \$571,959, which was but \$334.12 higher than the Portland firm's offer.

The Portland firm reported that work will start immediately and that the hope was also expressed that each of the three buildings will be completed ahead of schedule. Waverly school before November 1, Sunrise before December 1, and Liberty before January 2.

Youth Killed by Roller Enterprise, April 28 (AP)—A high school freshman died yesterday after being crushed under a one-ton earth roller on the school athletic field.

Students said Bill Ortman, jumped on the roller frame, lost his balance and fell beneath the implement as it was being towed by a truck.
