Notice! HOME BUILDERS

CONTRACTORS!

Today, construction is slowly but surely getting back to normal-and today, building trends are definitely toward firesafe and more durable construction because of the reduced upkeep-lower insurance rates-and higher re-sale

One of the oldest construction materials known to man stone-is the ideal building material containing all of the essential qualities—and the Salem Perma-Stone Company is equipped to add the beauty, charm and durability of PERMA-STONE" to your building-for a fraction of the cost of stone. "PERMA-STONE"-the new stone-like veneer, gives the color and texture—the permanence and good taste of natural stone to any wall.

And remember-"PERMA-STONE" is permanent-because it is made from the same ingredients as our great bridges, dams and other massive structures. "PERMA-STONE" actually grows harder—as it grows older.

The savings in paint and repairs, which "PERMA-STONE" makes possible over the years, will actually pay for its installation so write or visit the Salem Perma-Stone Company for full information about "PERMA-
