

ONE-TIME NATIONAL FAME

Willamette Student, Who Once Published Valsetz Paper, Engaged

Molalla (AP)—Dorothy Anne Hobson, who founded and published the Valsetz, Ore. Star when she was nine years old and plugged for "hemlock, fir, kindness and republicans," has become engaged.

Now a junior at Willamette university, Salem, Miss Hobson will marry Fred Graham, Longview, Wash. Graham is a graduate student at Willamette.

The Valsetz Star was a modest, mimeographed newspaper but under Dorothy Anne's adolescent guidance it achieved national fame. Despite Dorothy Anne's fervent republican political partisanship, the late President Roosevelt was a subscriber of the Star. Her subscription list covered the nation.

Readers enjoyed such items in the Star as these:

"We stand firm and believe in the United States and Cobbs & Mitchell Lumber company, the republicans and England and Wendell Willkie and Greece."

"The day after Willkie was defeated, mother changed all the furniture around in the living room then sat down in a rocking chair and said she guessed things weren't so bad after all."

"The Star's foreign policy, is mind our own business a little and keep on taking vitamins."

"Mrs. Fraser, our best bridge player, has a cold in her nose. She knows where every ace is."

"Paul Lowe left to join the U.S. army and get 21 dollars a month and a new suit. Mrs. Heydon got discouraged with the rhumba. Bill Bywers landed the longest fish here Saturday and Germany landed in Norway Monday."

"Mrs. Deno has six toes on one foot and we've stopped taking cod liver oil. We are very proud of a letter from Mr. James A. Farley, who is postmaster general. He wishes us well and dashes his name off in green ink. He isn't a republican."

Dorothy noted that "James Roosevelt got a divorce and Leonard got married to Bernice," that "Russia and Finland stopped fighting but the cats are

Committee Inspects Kingwood District

A special committee of the city planning and zoning commission Monday afternoon made an inspection trip over the Kingwood water district annexation to the city.

On the committee are City Manager J. L. Franzen, chairman, R. A. Forkner, Robert Stanley and City Engineer J. H. Davis.

Tuesday night a special meeting of the planning and zoning commission will be held to consider the temporary zoning of the area.

still fighting under our house something fierce," and that "daddy got mother two boxes of cigars and a gun for Christmas."

Dorothy folded the Star when she was 12 years old and after she had received letters of praise from Herbert Hoover and Willkie.

"If we owe anybody any money we hope they won't get excited. We hope they will be calm and we will pay them as soon as we all get our business settled."

At Willamette, Dorothy is the president of Chi Omega sorority. Her parents' home is in Molalla.

Scouts Will Show Talents

Air Scouts and Sea Scouts will demonstrate their craftsmanship as a part of the Scout program at the Cascade Boy Scout circus at Sweetland field next Saturday evening at 7:30.

These demonstrations are in addition to activities to be presented by Boy Scouts from all parts of Linn, Marion and Polk counties under sponsorship of the Salem Lions club and the Cascade area council.

Air Scouts are to have an airplane on hand and preliminary reports say the Sea Scouts will build a ship before the Sweetland field grandstand, "complete to masts."

A number of surprise numbers are planned by the Boy Scouts and no information could be obtained on their nature. However, Scout acts will include tower building, signaling and a series of first aid demonstrations.

General Chairman Carl Aschenbrenner said plans are coming to a head for the big parade which will wind through Salem downtown streets 3:30 Saturday afternoon, presenting nearly 3000 Cub, Boy and Senior Scouts.

Cal Loses Her Litter Of Kittens to Hen

Lincoln, Cal., May 3 (AP)—Missy, a cat belonging to the Fred Newcomb family here, made a mistake when she picked a chicken house to have her litter of kittens.

Shortly after the four new kittens arrived, a New Hampshire hen took charge and dispossessed the mother cat. Missy

is allowed to approach only at feeding time, said Newcomb, and then the maternal hen angrily clucks the cat away if the feeding is prolonged.

These prices feature "Extras" that aren't!

If you're price-conscious these days as you shop for new cars, you've probably made a big discovery. It's important to find out what the price includes—particularly in the normal "spread" between list and delivered prices. Take these Buick prices given here. All of them, as the panel tells you, cover such universally wanted accessories as radio and antenna, heater and defroster, windshield washers and built-in back-up lights. These are individually itemized on your bill of sale. Not itemized, but still included in your Buick when you get it, are many things that classify as extra-cost items on many other cars. For instance, Foamtex seat cushions are an extra value on Buick SUPERS and ROADMASTERS that cost you nothing extra. You get direction signals, rear wheel shields, a flexible steering wheel, an air cleaner, an oil filter, a clock—all included in the basic list price. On all ROADMASTERS, these prices even cover Dynaflo Drive as standard equipment, not an extra-cost item. Included also, of course, are such Buick extra values as Fireball power, which you get nowhere else—all-coil springing, almost an exclusive—the widest rims in the industry—and that very special and desirable solid Buick feel. So—check the "extras" when you price today's cars. Check the "deal" too, and make sure it's as fair and aboveboard as the Buick sales policy. We're pretty sure what your conclusion will be when you see what stepped-up production is doing to deliveries. You'll decide "Buick's the buy!"—and get your order in.
