Murder's Skirts By TERRY ADLER

"What did verek have to do
"Ith was just the little man who
seme around. As soon as Worden
deeded he had to kill Bray, he
got a syringe and filled it with
gyanide. He walked right into
Bray's office and jabbed the needle
Into his back right through his
airt. Bray died immediately. Worden typed out the suicide note and
then arranged the cyringe so that
R looked like suicide. This was
about five minutes to mininght. He
knew that Verek would be around
shortly to inject his rates. He
didn't dare leave then for fear
he would encounter Verek. So he
turned out all the lights and waited.
Sure enough, Verek came and injected his rate and then left without
suspecting a thing. After that Worden got his things and left. He
left the light off so that Verek
wouldn't investigate when he came
around on his next round three
hours later. Worden was at the
lab early yesterday morning so
that he could 'discover' the suicide.
However, I beat him to it, and what
made me suspicious was that this
so-called suickle had apparently Street. San Francisco 5, Calif.
