Chicago, May 4 6% — The grain market weakened today after starting out with a gusto. The market climbed for about the first two hours, and after that it spent the result of these actions, accompanied by a fair volume of trade, did not amount to much in the way of price changes.

Early buying of wheat was based on a boost in the bid price for cash grain by the government. Other cereals followed wheat, aided by small cash receipts. Reports of easiness in cash wheat markets at Kansas City and Minneapolis caused some of the late selling.
