Specialists to Meet June 2-7

An in-service training conference of teachers of handicapped children has been announced by State Superintendent of Public Instruction Rex Putnam.

Teachers from all parts of Oregon will gather for a two-day meeting on June 2 and 3 in the Bush school auditorium. Dr. Romaine Mackie, chief, schools for the physically handicapped in the United States office of education, Washington, D. C., will be the headline speaker for the occasion.

The conference this year will center about a study of children with vision defects, speech defects, physical handicaps, and convulsive disorders. Appearing on the program with Dr. Mackie will be Dr. Beon Lassers, former speech pathologist in the state department of education in Oregon; Dr. Kenneth Swan, head, department of ophthalmology, University of Oregon Medical School, Portland; Dr. Lewis Clark, pediatrician, and Dr. Charles Bradley, psychiatrist.

On the afternoon of Wednesday, June 1, arrangements are made to have the teachers visit various state institutions including Fairview home, Oregon state hospital, Hillcrest school for girls, and the Oregon state training school for boys.

Dayton Really Dazed By Daylight Change

Dayton—Dayton went into daylight saving time this week. The school system, after a few days, is back again on standard time, which makes a confusing situation throughout the district, as the school clocks will be on daylight time, but classes take up an hour later.

Roomette Car Added To Cascade Train

Southern Pacific's all-Pullman Cascade between Portland and San Francisco will be improved by the addition of a roomette car effective May 14, according to J. A. Ormandy, general passenger agent.

The car will have 12 roomettes, two single bedrooms and three double bedrooms, Ormandy said.

Roomettes are completely enclosed, private rooms for single occupancy. Features are a pre-made bed which folds into the wall, toilet, washstand, wardrobe locker and other conveniences.

This will be the first time this type of equipment has been offered on the Portland-San Francisco run.

Highways Not Hurt By Recent Quake

In an effort to counteract any unfavorable travel rumors which may have arisen in out-of-state areas as a result of earth shocks last Wednesday noon, the Oregon state highway commission travel information department sent short information bulletins to automobile club offices, travel agencies, newspaper travel editors news desks that Oregon highways and vacationlands are unaffected by the tremor.

One auto club in San Francisco reported Thursday morning

it had received several calls from members seeking information on earthquake effects on travel to the Beaver state. The bulletin emphasized epicenter of the quake was north of Oregon and caused no appreciable damage in the state, and that Oregon is now beginning a busy tourist season.

Record School Budget

Portland, May 6 (AP)—The Portland school board approved last night a record \$12,113,806 budget for the coming year. A special election on a \$2,520,000 tax levy is necessary June 7 to meet the budget.

Shantung, a 56,000-mile-square province of China, is one of the most densely populated areas in the world, inhabited by 26 million people.

So Men May Live Longer

By J. R. WILLETTS of the Capital Drug Store

Recently it was announced that the medical profession and the drug manufacturers are combining their efforts in a million dollar research project to study the causes of degenerative diseases, such as high blood pressure, hardening of the arteries, arthritis and heart ailments.

You may not consider this very important to you, feeling that its benefits will come too far in the future. Yet it is possible that such an important medical discovery will be made in time to prolong your life considerably, providing of course that you have taken care to guard your health from year to year.

See your doctor regularly. Get prescriptions from a reliable pharmacist.
