ard dedicated the new St. Luke's church in May of 1934.  
 Father Rubis died in 1936 and was succeeded by Rev. J. C. Heesaker, who in turn died in 1940. The Rev. V. L. Mollenbeler was appointed pastor in May of 1940. Since his appointment, Father Mollenbeler obtained the sisters' house, made possible through the benevolence of Theodore Serres, now deceased.

**School Plant Planned**  
 In November of 1944, the parish grounds were paved to provide adequate playground and parking area. In 1945 the Scollard property was purchased by the parish which will be the future site of the new St. Luke's school. The parish obtained a school bus in 1946 to provide transportation for parish students to the Catholic high schools at Mt. Angel.

In 1946\* an intensive drive was started to obtain necessary funds for a new school. After three years of effort, the men of the parish met with the pastor on April 24, 1949, to formulate plans for the new school building. A parish building committee has now been formed, with tentative plans to commence the school building within a year.

The parish cemetery, founded between 1899 and 1910, was legally organized as St. Luke's Cemetery association on June 26, 1945, with six men from the parish directing cemetery operation. Through the benevolence of Peter Hagenauer, the parish house was completely renovated in June and completed at Christmas of 1948.

**Woodburn Parish Prepares Golden Celebration Event**

Woodburn—St. Luke's parish, Woodburn, celebrates its 50th anniversary on Sunday morning, May 22, when the Most Reverend Edward D. Howard, archbishop of Portland, will offer pontifical high mass at 10:30 a.m. Complete plans for the golden jubilee celebration will be announced Sunday by Rev. V. L. Mollenbeler, present pastor of St. Luke's.

Early history of the Woodburn Catholic mission is incomplete, but it is certain that Archbishop Blanchet established it in the 1870's and appointed the Rev. Alois Sommer of Gervais as mission priest. Just prior to its foundation as a parish, the Rev. Prior Adelmund Odermatt, OSB, from St. Benedict's abbey, Mt. Angel, cared for the Woodburn mission.

In 1899 Archbishop Christie established St. Luke's parish and appointed the Rev. L. A. LeMiller as pastor. Father LeMiller immediately set to work to build a church, since Catholic services were being held in a community hall. Work on the first church began in October of 1899. The cornerstone was laid on September 9, 1900, and the church was dedicated by Archbishop Christie on October 20, 1901.

**Parish House Erected**  
 It was during the Rev. J. A. Levesque's pastorate from 1901 to 1908 that an addition was added to the church building, consisting of a new sanctuary and sacristy, to accommodate the growing population. The parish house was built in 1902, and in the same year the present church bell was obtained. St. Benedict's school, par-

chial school for Woodburn, opened in September of 1903. The first enrollment totaled 38, but before the year was complete there were 62 students. The original school building continues to serve the present enrollment of 182, but plans are now being formulated to build a new St. Luke's school.

It was not until 1923, when the Rev. J. E. Rubis was appointed pastor, that further buildings were added. Father Rubis built St. Luke's hall in 1927. He then started a new church fund and on April 17, 1933, the first St. Luke's church was torn down and work commenced on the new church. The cornerstone was laid by Archbishop Howard on July 2, 1933, and the first mass was offered in the new church on Christmas of that year. Archbishop How-
