### Blasted Tunnel Debris Cleared

New York, May 14 (AP)—Bulldozers scraped through deep ooze and matted wreckage today to clear the blast-seared Holland tunnel for its daily load of 46,000 cars and trucks.

A big truck, rolling towards New York with a cargo of chemicals, blew up Friday morning. It spewed fire and poisonous gas through 300 feet of the traffic-clogged tunnel.

Normal vehicular traffic may be resumed tomorrow morning.

Austin J. Tobin, executive director of the New York Port Authority, said after an inspection trip today that the New York-bound tube would be restored to service "at the earliest tomorrow morning and at the latest Monday."

Tobin said however, that the tube would be closed from 10 to 12 hours a night for a month or two to permit repair work to proceed. Damage may total \$1,000,000.

The New Jersey bound tube was reopened five hours after the accident.

Sixty-six persons, mostly firemen and tunnel workers, collapsed or staggered groggily from the tunnel's smoke-begged depths during a five-hour battle with fire and fumes.

Twenty-six were taken to hospitals with burns or gas poisoning. None was reported in danger.

### Capot Winner In Preakness

Baltimore, May 14 (AP)—Greentree stable's Capot gained revenge today by setting a new Pimlico track record in the Preakness.

Capot, runner-up in the derby, won a nose decision in a photo over Isidor Bieber's Palestinian. The judges had to examine another photo before deciding third place.

Crispin Oglebay's Noble Impulse was given the nod for show money and Mrs. E. H. Ellison Jr.'s Sun Bahram got fourth.

Calumet farm's Ponder, the surprise derby winner, wound up fifth when his attempt to come from last place failed.

Capot's time of 1:56 for the mile and three sixteenths cut two-fifths of a second off the previous mark set by Riverland in 1943.

The race was run on a track dampened by a light rain which fell for 27 minutes before the nine colts went to the post for the 73rd running of the classic.

### 5 Year Old Mother Well

Lima, Peru, May 14 (AP)—Little Gerardo Medina and the mother who gave him birth when she was only five years and eight months old, celebrated his tenth birthday today.

Medical science was amazed when on Mother's Day, May 14, 1939 Dr. Gerardo Losada performed an operation delivering a son from a mother not much beyond babyhood herself.

Today they are sturdy, healthy children, leading the normal, poverty stricken lives of a million other on the western Andean slopes.

The son's half-breed grandfather has taught him to herd goats, but the child also attends the same school as his mother, Lina Medina, now nearly 16 years old.

Lina now knows that the boy is her son, and not a brother, as she had at first been told. The

### Ford Rejects Union Proposal

Detroit, May 14 (AP)—The Ford Motor company today rejected the union proposal to settle the strike of 65,000 Ford workers.

At the same time, the company announced it was submitting a counter proposal to the CIO-United Auto Workers.

The union proposal was made yesterday by UAW President Walter Reuther. He declared it as "detailed and specific."

Earlier the federal government expressed concern at the strikers' "grave consequences."

Mediation Director Cyrus S. Ching said he would step in unless the strike were settled within a "reasonable period."

The federal mediation chief's message arrived yesterday as the UAW-CIO made a settlement proposal in writing in the production speeds dispute.

### Truman Visitor At Ball Grounds

Washington, May 14 (AP)—Baseball Fan Harry Truman paid a surprise visit to Griffith stadium to join in welcoming the Washington Senators home from their victorious road trip.

The president was a spectator at their game with the Boston Red Sox.

It was the first home game of the Senators since they returned from the west after winning nine straight, losing their tenth game on the trip.

The president invoked silence on his trip to the park until after he left his Blair house residence, accompanied by seven of his staff members.

### Blood Bank Topic

Hubbard—Members of the Hubbard Parent-Teachers association will learn about the blood bank at the Monday night meeting at 8 o'clock. New officers will be installed by Mrs. Leslie Morris. The program will include a number given by the Boy Scouts, a vocal solo and a reading.
