

London Boy Has Sneezed Constantly for 10 Days

By GLENN WILLIAMS
 London, May 18 (AP)—The London schoolboy who can't stop sneezing still can't stop, but an Indianapolis educated chiropractor has him in hand and says he can cure the school's good Michael Hippisley, 14, has sneezed about every three seconds for 10 days, except when he's asleep from drugs or exhaustion.
 Leslie W. D. Jelfs, the chiropractor, entered the case last night.
 He said today he has already eased the sneezes.
 Michael wandered around Jelfs' big apartment and office, sneezing quietly and regularly into a series of white handkerchiefs.
 His own verdict, expressed to a reporter while Jelfs was out of the room:
 "I think I'm a little better."
 Mike's parents called in Jelfs and when doctors, a hypnotist, a faith healer and sundry telephoned suggestions from well-wishers had left Mike still sneezing.
 Jelfs said Mike has had sneezes and hay fever ever since he was three.
 "Probably had a fall or a severe bump when he was small," he said.
 That, said Jelfs, knocked six neck joints of his spine too far to the right, pinching some nerves and causing irritation in the nose. He says X-ray pictures prove the point.
 To cure the sneezes, he will have to get the neck bones lined up straight again. He won't say how long that may take, because, he says, the muscles have shrunk on one side and stretched on the other. To cure the sneezes, they'll have to be trained properly again to hold the bones straight.
 "Probably take several months!" a reporter suggested.
 "Can't say—might not take that long," Jelfs answered.
 Jelfs gave him a treatment for the benefit of the press. He laid Mike on a long table, pressed down and sideways on his head. Mike sneezed. Jelfs twisted his head a little farther, pressed a little harder. For about a minute and a half, there wasn't a single sneeze.
 Then Jelfs let him up. Mike sneezed, a little less frequently.

Dallas Insurance Agency Purchased

Dallas—Harold M. Martin of Springfield has purchased the Hamilton Insurance Agency from Edward S. Hamilton. The business will be known as Hamilton Insurance Agency, Oregon Ltd.

During the past two years Martin has been associated with the Springfield Insurance Agency. He was raised in Eugene and attended the University of Oregon. The transaction, completed May 1, also included the Hamilton home and Mr. and Mrs. Martin and small son have moved into the place.

Hamilton established the agency here in September, 1947, after recovering from serious wounds received in France where he served as a lieutenant colonel spearheading Patton's drive across France after the breakthrough. Mr. and Mrs. Hamilton plan to leave this week for the east to attend the tenth reunion of his West Point class.

Martin's father, Edgar E. Martin of Eugene, formerly general manager of the Booth-Kelly Lumber company and at present general manager of the Camarran Corporation sawmill at Junction City, is a limited partner in the business.

Butter-Yellow Bill Wins in Assembly

Sacramento, Calif., May 18 (AP)—A bill giving margarine manufacturers the right to color their product a butter-yellow won passage through the assembly Tuesday.
 The vote was 52 to 20. It came after Assemblyman Thomas N. Erwin, Pueblo, charged margarine interests are spending \$8,000,000 to win repeal of discriminatory laws throughout the nation.
 The measure now goes to the senate—which draws its membership predominantly from counties which produce butter.

Monmouth Park, N. J., will conduct its racing season this year from June 20 to Aug. 10.
