

## Simplot, Idaho Millionaire, Out of Fertilizer Deal Here

J. R. (Jack) Simplot, Idaho millionaire, is no longer interested in the operation of the Salem fertilizer plant, formerly the alumina-from-clay plant, according to terms of settlement of a suit against Simplot by J. O. Gallagher of Seattle.

## Carl Richards Wins Honors

International recognition for his skill in astronomical photography came recently to Carl P. Richards of the state highway department laboratories in the third Michigan exhibition of nature photography at Detroit.

Richards was informed that his picture of Jupiter and the moon in conjunction was given the Detroit astronomical society's award for the best print entry in the show. His other three entries, two astronomical and one geological, were also accepted for exhibition.

There were 324 entrants from 34 states and 14 foreign countries. Of the total 214 contributors had at least one entry accepted. Richards was one of three entrants who had all four pictures accepted.

The show was held at the Cranbrook Institute of Science and was sponsored by seven scientific groups.

Richards has long been interested in astronomy and is treasurer of the National Astronomical League.

## Conductor Strike Settled by Board

Chicago, May 19 (AP)—The Order of Railway Conductors today called off plans for a strike of all sleeping car conductors in the United States and Canada.

The union and the Pullman company announced settlement of a labor dispute. In a joint statement, they said the agreement was reached through services of the national railway mediation board.

The 1949 National collegiate boxing tournament at Michigan State was the first since 1932.

Gates Speaker—Norma Jean Devine will represent the Gates senior class at graduation exercises having been chosen valedictorian.

expected to buy the plant from the WAA, but decided the price was too high.

When later the WAA called

for bids on the plant Simplot was a bidder. Another bid was by Gallagher and Arch W. Metzger, manager of the plant for Columbia Metals. There were other bidders, but Columbia Metals corporation did not bid.

## Pilot Error Is Cause of Wreck

The crash of a private plane in Odell lake south of Bend, Ore., May 9, in which Pilot David Lupescu of San Francisco lost his life was the result of pilot error, W. M. Bartlett, director of the Oregon state board of aeronautics, reported today.

Three other persons, forest service men from Bend, riding in the Grumman Widgeon plane were injured and taken to a Bend hospital. They were Ralph W. Crawford, Newell Cory and Richard Botcher.

Bartlett said: "Investigation revealed that the aircraft was in airworthy condition prior to the time of the crash. No indications were found of any mechanical malfunctions or structure failures prior to the time the aircraft struck the water. The weather was clear with a mild wind. The cause of the accident was pilot error in that the pilot did not use nearly half of the available takeoff area."

"The pilot, David Lupescu of San Francisco, flew to Odell lake for the purpose of a con-

ference with the national forestry personnel, who were passengers on the aircraft at the time of the accident."

Cattlemen Re-elect Officers  
Pendleton, Ore., May 19 (AP)—The Oregon Cattlemen's association today unanimously re-elected their past officers.

O. D. Hotchkiss, Burns, was retained as president; Harry I. Stearns, Prineville, as first vice president and William Kittredge, Klamath Falls, as second vice president.
