

Salem Memorial Hospital

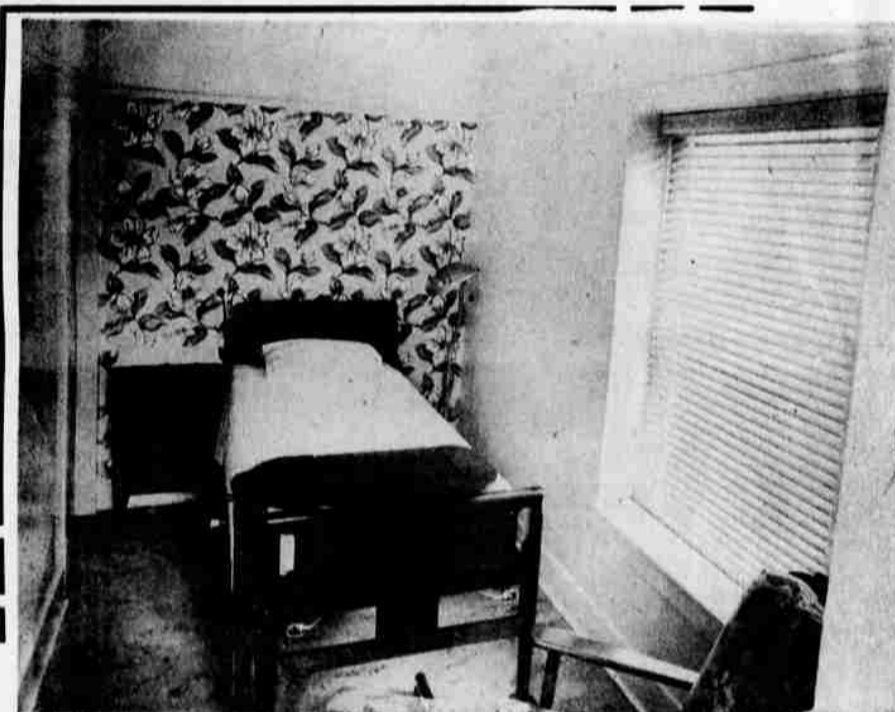

INVITES You To OPEN HOUSE

SUNDAY MAY 22, 1949 2 to 5 P. M.

Dining Room

Complete redecoration in the employees dining room and cafeteria has been carried out with new and pleasing modern color scheme throughout. Re-arranged—making this dining room a convenient and workable unit.
The ladies of the Memorial Hospital Auxiliary will serve refreshments in the dining room.

Private Room

This is just a sample of the 18 redecorated private rooms the Memorial Hospital has to offer. Soft-toned pastel colored walls added with new furniture and fixtures make each room into an atmosphere of peace and quiet. Be sure to see them on your tour through the Memorial Hospital.

Dr. H. O. Schneider
Salem Memorial Hospital
Medical Staff

Mr. M. B. Rudd
President of
Board of Trustees
Salem Memorial Hospital

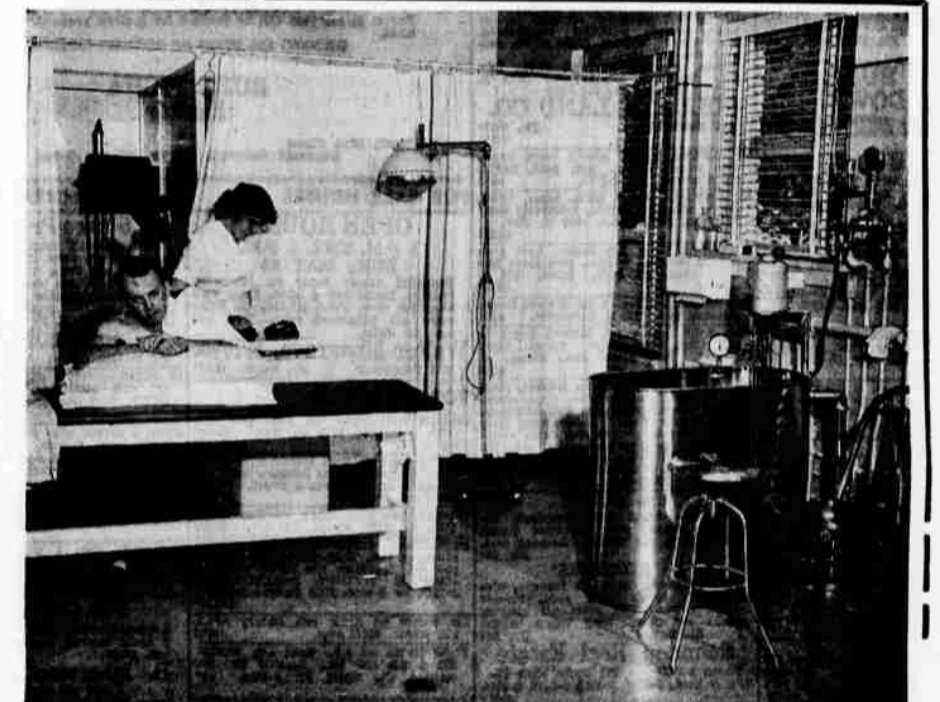

Mr. Irwin Wedel
Administrator of
Salem Memorial Hospital

Mrs. Fae Lefor
Superintendent of
Nurses
Salem Memorial Hospital

The Salem Memorial Hospital is proud and pleased to hold Open House to show the improvements recently made under the Salem Hospital Development Program (which is now in progress.) Old friends and new friends are cordially invited to attend. Members of the Salem Memorial Hospital Medical Staff, Board of Directors and Auxiliary will be on hand to welcome and show you through the hospital.

These pictures are a few of the many improvements made throughout the hospital; complete re-decoration with new and modern color schemes, new and advanced equipment. We invite your comment on this development of the Salem Hospital Development program.

In the new remodeled dining room, the Salem Memorial Auxiliary will serve refreshments from 2 to 5 p.m.

Physical Therapy Department

This is a department new not only to the Salem Memorial Hospital but to the city of Salem. It has been added in keeping with our underlying policy of giving the people of this community the latest and best in modern medical care.

Clinical Laboratory

The new laboratory has been carefully planned adjacent to other specialty departments to give the maximum efficiency with the minimum of space permitted. It is complete with all the latest types of diagnostic and precision instruments, giving the doctors on our staff thoroughly modern laboratory facilities.

Secretary
Treasurer . . . DR. W. H. NEEDHAM

Entrance Lobby

The Memorial Hospital lobby has been completely re-decorated with soft-toned colors, plus an outstanding fern garden forming one wall. The whole effect is enhanced by two picture panels at either end. New furniture, added to the lobby, completes a modern and restful atmosphere throughout.

Maternity Unit

The Memorial Hospital Maternity department has also seen a complete facelift, including three private labor rooms, new delivery room, new decorated patient rooms using paper paneling and pleasing colors.

This modern nursery is designed to care for 24 new-born infants. It incorporates many of the new techniques which have been tested and approved in the care of babies.

Air conditioning units are being installed, giving uniform temperature and humidity in this department at all times.

Surgery Group

The surgical suite of the Salem Memorial Hospital has just been completely remodeled, new instruments, equipment and fixtures have been added greatly improving the working arrangements for both the doctors and nurses.

Two new Castle surgery lights have been installed, giving the safest and best type of surgical lighting available to date. Other modern equipment includes a urology room—complete with new urology table attached; X-ray unit, new short wave and cautery apparatus.

X-Ray Department

Our X-ray department has also been enlarged and additional equipment provided. Recently installed is a 4x3 Photo Roentgen Unit used to take mass chest surveys. It is also employed in other fluoroscopic diagnostic techniques.

As in all other departments in the hospital the personnel is specially trained and qualified in each respective field.

At present our X-ray department is second to none in the state in diagnostic facilities.
