Eugene to Remain On Standard Time

Eugene, May 24 (AP)—This city remained on Standard Time today after Mayor V. Edwin Johnson cast the deciding vote following a split tally by six city councilmen last night.

Two councilmen were absent. Earlier, Springfield and Roseburg city officials had indicated they would follow Eugene on whether to shift to daylight saving time with northwest Oregon and lower Willamette valley cities and counties.

Mayor Johnson said he didn't want the time switch while school was still in session. That raised the possibility Eugene still might change next month.

Jewish Refugees Emplane Tokyo, May 24 (AP)—Sixty-one European Jewish refugees from China emplaned today for Vancouver, B. C., after five days in Japan.

Stocks Decline To 1949 Lows

New York, May 24 (AP)—Steel and motor stocks dropped to new 1949 lows today in a generally declining market. Losses ranged to around a point although most were in minor fractions. A fair number of stocks hit against the trend for modest gains and many shares remained at Monday's closing levels.

A little resistance to the milk selling pressure developed around noon but didn't amount to much. Trading volume expanded slightly on the way down, with turnover at the rate of around 800,000 shares for the full session. This would compare with 720,000 yesterday.

The current downward movement got under way last week and Monday forced the general run of prices to a low since February 23.
