

East Salem Mothers Clubs Elect and Complete Season

East Salem, May 25—The last Mothers club meeting for this school year was held over the week-end with teas honoring mothers who will have children in school next term, mothers club officers and teachers with school help also remembered.

The teachers at Auburn school, Mrs. Marjorie Thompson, Mrs. Rebecca Burnham, Mrs. Velma Laverly, and Miss Sadie Roth were hostesses for a tea at Auburn school Friday afternoon with mothers who will have children in school next year the honored guests, and mothers who have worked in the club this year assisting. The attendance was the largest of the year.

A business meeting was conducted by this year's president, Mrs. Loran Richey and officers elected for next term. Serving will be Mrs. Charles Gillingim, president; Mrs. Floyd Seamster, vice president, and Mrs. Sidney Hoffman, secretary-treasurer. A sum of \$7.35 was turned over from the home work project in which each member invested 25 cents in some material for an article which they made and sold. The school board will buy and install the new sink in the kitchen and the club is sending in \$150 to help with the cost.

Plans were made for the school picnic, June 1, with each mother to be notified by card. Serving on the picnic committee will be Mrs. Gillingim, Mrs. Orval Prunk and Mrs. E. C. Sunderlin. Gifts were presented to Mrs. Richey by the teachers and members of the club. Mrs. Burnham's room again received the room award

Joy Follows Tears—Expression of ecstasy covers face of 12-year-old Carlos Ortiz as he hugs his new puppy in his home at New York. The puppy, looking just like the one killed by a truck, was given to him by Frank Williams, a bartender, who saw a photo of Carlos crying bitterly as he knelt beside his dead dog. (AP Wirephoto)

for the largest number of mothers present at the meeting. The award will now stay in her room as they have received it the most months this year.

Middle Grove Mothers club honored their teachers with a tea Sunday afternoon in the Mayflower hall in Salem with the families of the parents of the community invited. There were 57 present. Corsages were given to the teachers, the cafeteria cook, the officers of the club, and those who have assisted in any way with the meetings. Gifts were given to the teachers and Mrs. Herbert Zobel, the cook and the retiring president, Mrs. Melvin Van Cleave. Plans were made for the school picnic June 1.

Several meetings scheduled for the week have been postponed as members are picking strawberries in the first general picking of this year. The Woman's Society for Christian Service of Middle Grove community will not meet this month, but on the scheduled date, the fourth Tuesday in June. The 4H pig club of Middle Grove meeting was also postponed for a week, and the over week-end trip planned by the Boy Scouts was not taken.

Berry Harvest Is Under Way

Silverton—Strawberry growers near Silverton starting picking today are the Charles Meyers in their 19-acre yards; the Howard Meyers at the 30-acre tract known as the Hunt-Meyer yards with preliminary plans completed Tuesday; and the Roy Skafes opening their 7-acre yard with sufficient pickers reporting for an unusually fine yield, no damage in any of the three acreages from the six week cold weather in early spring and late winter.

Because of the slump in prices to the growers, none reported day in June. The 4H pig club of Middle Grove meeting was also postponed for a week, and the over week-end trip planned by the Boy Scouts was not taken.

the price to be paid for picking. Reports from higher altitudes in the Silverton Hills areas are that harvesting the crop is to begin in about ten days or two weeks, depending on the weather.

All growers in the Silverton sections report excellent prospects for bumper crops. Also that the winter freeze did no damage, and that only a very few blossoms were out to the state of being injured when the later frost came.

More pickers in the larger sections could be used. Shower Held at Church Falls City—A shower was given at the Falls City Methodist church honoring Mrs. Grant Frink. Refreshments were served by Mrs. Tally and the WSC society ladies.

Davis Airport Is Busy Place

Gates—The Davis airport is a busy place these days. There is considerable development going on at the field. The Jungwirth Gravel company has started a new fill at the east end of the strip to lengthen the approach. A lunch counter is being built, which will be operated on week-ends by Al Haun of Mill City. The new repair shop has been completed and is now ready.

Ted Galbraith, flying instructor, is now devoting full time here and is conducting lessons daily. His first student to solo was Wayne (Bud) Thomas of Mill City, who soloed last week.

As a special attraction Galbraith will do low stunt flying at the field every Sunday afternoon.

President Barnum of the Oregon Sportsmen's association has announced that a breakfast hop will be held here July 17 which will bring scores of planes to the Davis airport. The breakfast hop is a get-together of fliers from over the state and usually attracts from 75 to 150 planes. The day of this event Davis has arranged for a big air show, the first of its kind for the canyon. The air show will bring here the leading stunt fliers of the northwest.

Victor Point School Club Plans Social Victor Point—The Community school club will meet at the Union Hill Grange hall on Friday evening, May 27, at 8 a.m. There will be an election of officers with Miss Alice Jaquet, president, presiding. Mrs. Noah Hunt, program chairman, is preparing the evening's social hour. Plans will be made for the opening day reception for the new school, and reports received concerning the serving of hot lunches for the school.

The Grand Canyon—217 miles long—is one of the scenic wonders of the world.

ROOFING

Now is the time to order that new roof before the busy summer season. Expert workmanship with the highest quality material. Free estimates without obligation.
