

Four Corners Greets New Business Firm This Week

Four Corners, May 25—A new business for Four Corners will be the "Rustic Lunch" opening May 26, at the corner of Macleay road and S. Lancaster drive, in the Mobilgas Service station. It will be owned and operated by Mr. and Mrs. Fred Nottingham who came to Four Corners a few months ago from McAllen, Texas. The Nottinghams have redecorated and made extensive improvements at the station. The new all shaped counter is finished in natural wood color while the stools are cleverly fashioned from nail kegs. A neon sign announces the "Rustic Lunch" to the passers-by.

The Oregon State Mothers club had as their guests on Monday evening the Oregon State Dads, at a covered dish dinner in the Four Corners Community hall. Covers were laid for 90. Guest speakers were Dr. D. T. Ordeman of Oregon State college and G. Frederick Chambers of the state board of higher education. Following the dinner there was a business meeting and installation of officers. President Mrs. Arthur Wilson; vice president, Mrs. E. E. Walker; secretary Mrs. M. A. Pekar; treasurer, Mrs. Carl Miller. The next meeting will be in October.

Week-end guests in the L. W. Pruet home 4140 Macleay road were Mr. and Mrs. A. L. Lowell and Sydel and her grandmother, Wash. Sydel and her grandmother, Mrs. E. T. Lowell had a double birthday celebration while here. Sydel had her second anniversary.

Mr. and Mrs. Dale Fullerton and small daughter Betty Louise of Pendleton, Ore., were week-end guests in the C. C. Morris home at 3735 Mahrt avenue. This was the first visit of Betty Louise to her grandmother's.

Attending a family reunion in the home of Mrs. Martin Cummings in Corvallis over the week-end were Mr. and Mrs. Nick Schweigert, Diane and Kenneth 3628 La Branche avenue.

Mr. and Mrs. O. D. Binegar, 160 S. Lancaster drive, drove to Milton - Freewater and The Dalles over the week-end where they visited in the Sam Lefore and Mrs. J. Slucarenko homes. Attending a graduation in The Dalles.

Workmen Unearth Diamond Cache

Portland, Ore., May 25 (AP)—Workmen excavating for installation of service pumps in downtown Portland today dug up a cache of diamonds valued at more than \$4000.

Dwight C. Thorsen, owner of the parking lot where the pumps are to be placed, was watching the digging when he spotted a flashing object in the earth. It proved to be a diamond ring.

Workman Milton Holand dug further and uncovered a rotted chamois skin in which three other rings and a diamond lavaliere were wrapped.

Detective Dudley Nelson said there were 71 diamonds in the five pieces of jewelry. He estimated their value at more than \$4000.

Cold Rubber Given Boost

Baton Rouge, La., May 25 (AP)—"Cold rubber" was feted here by its sponsors who claim it will:

Make tires wear 30 per cent longer.
Permanently outclass natural rubber.

Make the United States independent of any outside rubber source.

Be made as cheaply as the natural rubber.

The occasion for the celebration was the complete conversion of the Copolymer corporation plant here to produce the new rubber. Officials said all cold rubber—cold because it is coagulated at 41 degrees instead of the former 122 degrees—in

the United States is now produced here.

C. H. Hulings, operating vice president, said in a prepared speech that production was estimated at 30,000 tons a year by 350 employees.

An equal natural output would require 1,000,000 trees and 130,000 natives as laborers.

Doughnut Girl Retires
New York, May 25 (AP)—The Salvation Army woman credited with making the first doughnuts served to American troops in France in 1917 will retire this week.

An officer of the Salvation Army since 1908, Lt. Col. Helen Purviance has been serving in this area as assistant field secretary. After a vacation she plans to take some lighter duty with the army.

Clara Barton founded the first chapter of the Red Cross in America on Aug. 22, 1881.

School Band Hears Calls

Announcement was made Tuesday night that the Salem high school band will play in the Memorial day parade here next Monday and at the Portland Rose festival in June.

E. Donald Jessup, director of the band, made the announcement at a meeting of the School Band and Orchestra Parents' association at the high school.

He also said the band and orchestra would participate in summer practice sessions, including the junior orchestra and beginning musicians. The band played four numbers last night.

In an election of officers Roy Todd; Earl Riggs, vice president, and Mrs. Harold Gillespie, treasurer. Mrs. W. S. Bartlett was re-elected secretary.

HISTORIC MEDICAL HIGHLIGHTS—No. 35

CHEMISTRY OF HEALTH

JOHN JACOB ABEL was a chemist with an idea. He thought that knowledge of the chemistry of body fluids, tissues and organs would help define their functions . . . point the way to better health. That's how the important science of Endocrinology was born. Through study of the ductless glands, Abel was the first to extract a pure secretion. He succeeded in obtaining adrenalin from the adrenal glands on May 6, 1897 . . . a drug very important today in the treatment of certain heart and shock cases.
