Yanks Set Pace But Tribe **Is Billed Team to Beat**

New York, May 25 (U.F)—Unless somebody starts taking the Yankees seriously very soon it is going to be too late to stop them from running away with the race.

On almost every front the consensus is that the Yankees can't keep up their record-breaking early season pace which has been better than any of their cele-

Washington, May 26 (#) — Cleveland's Larry Doby last night hit one of the longest home runs in Washington's basehall history.

Repeating his Yankee stadium performance of last Friday, the Negro outfielder slammed at an inside, fast ball and hit it over a sign atop Griffith stadium's right-centerfield wall. Veteran baseball writers who date back past the Babe Ruth era estimated the wallop carried some 500 feet. It cleared the sign, which is 55 feet above the ground, by about 10 feet. It was reported later that the ball landed on a roof-top well outside the stadium. The report came from a housewife who telephoned to complain that the ball hit her roof and wake we her children.

number of knee injuries on the gridiron.

One at a Time The Orangemen will play their games, one at a time during the season that will open just 16 days after the squad gets together Sept. 1 for the first fall workout. "We will point for nobody," said "Kip" as he clipped his sentences in a decisive manner. He hastened to add that "we will constitute a breather for nobody." . . . "Bump" Elliott, first assistant to the head man, will prove popular with the players, no less than Taylor, if we are any judge of humanity. He appears friendly, unaffected and no doubt possesses the ability to get the most out of his men. Taylor and Elliott will be here for public inspection June 6 during the Chamber of Commerce luncheon.

Skits and Scratches

BY FRED ZIMMERMAN, Capital Journal Sports Editor

Taylor Appears Sharp
That "Kip" Taylor, the Beavers' new football coach is a perfectionist, a stickler for condition, will give the utmost consideration to the boy who really puts out, but will have little use for the fellow who shirks his job, were but a few of the impressions this scribe picked up during a couple of hours around the banquet tables at Oregon State early this week. The affair, an innovation introduced by Coach Taylor, observed the close of the spring training period. In dismissing the squad for the summer, "Kip" urged the members to "run, run, run, run, run and run some more" at every opportunity. Running played a prominent part in the spring training program. Elimination of the automobile might work into Taylor's conditioning program. We know of one or two athletic directors who blame the motor car for the increased number of knee injuries on the gridtron.

Gill Lives Basketball

"Slats" Gill is enthusiastic concerning his pre-season basket-ball program for next December. A number of first class quints will be brought to Corvallis while Slats will take his Beavers will be brought to Corvallis while Slats will take his Beavers on an eastern tour which includes a stop in Madison Square Garden. Gill is optimistic concerning the completion of the new gym, an optimism not entirely shared by Loris Baker, Spec Keene's assistant who apparently has been given the job of doing the worrying for the entire outfit. The roof of that huge structure was about a fourth complete early in the week. Baker believes the floor and the seats for the 10,000 spectators will be ready for the first game, but expects the finishing touches on many of the offices will not have been made until early in 1950.

Trojans Favored

If seasonal performance is an indication of what may happen in Seattle Saturday afternoon, then the USC Trojans should collect the larger number of points in the Pacific Coast conference track meet. A list of the 10 best 1940 marks made by conference athletes in each event shows a Trojan leading in four of the 15 events. Mel Patton has a 9.6 second mark for the century and 20.2 for the 220. John Montgomery's 14 foot 734 in the pole vault and Jack Barnes' 6 foot 5 high jump are tops in conference competition. Due to depth the Trojans figure they will collect enough marks to win.
