

Ladies in the Ring Fatme Dakir, of Turkey, tosses Madeleine Duval, of France, over her shoulder in one of the international women's wrestling show matches in Milan, Italy.

Unbeaten Teams Meet on Thursday

Randle Oil and the Paper-makers, undefeated in league competition go to the post at 8 o'clock Thursday night in the first game of the City softball league twin performance. The second contest at 9 o'clock sends Rock Wool against Golden Pheasant.

Street vs. K. of C., and Mootry's vs. Marine Reserves.

No games are slated for Saturday night.

The Antactic continent is uniquely isolated in that those who visit it must cross at least 600 miles of open water while passage to any of the other continents can be attained by crossing 60 miles or less of open water.

Wirt Sold, New Player Is Added To Solon Roster

Jim Wirt has been sold "down the river" (to Vicksburg, Miss. of the Southeastern League) and Bob Heddington has been added to the Salem Senator club roster. Glenn Miller, left handed pitcher played first for the Solons Wednesday night, and turned in a fairly good game.

Heddington has been on the Portland bench for a number of weeks, seeing virtually no service. He played first base for Tacoma in 1946, having a batting average of .314. The next season he was on third for the Tigers, where he boosted his average to .339. Last season with Spokane in the outfield Heddington slumped to .290.

The new first sacker is expected to join the club at Yakima in time for Thursday night's contest with the Bears.

Tourney Director Leads Qualifiers For PGA Champs

Richmond, Va., May 26 (AP)—George Schneider, the PGA tournament director, was taking his title seriously today—a little too seriously, as far as his constituents were concerned.

For the bespectacled rancher from Utah was not only managing the behind-the-scenes business for the nation's pitch and putt pros, but also was running the show on the links as the second of two qualifying rounds was launched in the PGA championships.

The 37-year-old Schneider set a dizzy pace for the others yesterday when he fired a five-under-par 66 on the Hermitage Country Club course.

He collected six birdies and one bogie in that impressive round. All of the strokes he shaved off par 71 came on the first nine. He was dead even on the back nine.

Ends Leon Hart and Jim Martin of the Notre Dame squad are the first co-captains for the Irish since 1926.

Cherry Fruit Flies Emerge

The official spray or dust notice for cherry fruit fly control was phoned to mid-Willamette valley county agents Thursday morning, May 26, by Associate Entomologist S. C. Jones and Entomology Specialist Robert W. Every of Oregon State College.

Fruit flies were found late Wednesday afternoon in the two emergence cages in the Lamberta orchard east of Salem.

The first spraying or dusting must be done within the 10-day period following the emergence date in accordance with the cherry fruit fly control area order of the Oregon state department of agriculture. The local control area order is in effect in Polk, Linn, and Marion counties.

Applying the first spray or dust within the next few days is suggested by County Extension Agent D. L. Rasmussen. "This will prevent delays from heavy rains, high winds, or other conditions that always seem to hinder those growers that wait until the last minute to spray or dust," he says.

Either lead arsenate or rotenone is recommended for cherry fruit fly control. These are the only insecticides in the four formulas recommended by the Oregon experiment station and approved by the state department of agriculture for use in complying with the provisions of the cherry fruit fly control area order.

Jack Turnbull, deputy horticultural inspector, represents the state department of agriculture in Marion county. Turnbull has temporary office space in

Special treats FOR THE holiday week end!

...NOW BEING FEATURED BY LEADING FOOD DEALERS

When you gotta stop - you wanta stop!

"It can stop on a dime," the salesman promised you, "—and leave nine cents change!"

And your Buick did—when it was new and brake linings unworn and everything factory-tight and fresh.

But brake linings wear—lights grow dim with time—tires can lose their bite and traction.

And with a whole summer's driving ahead, what better time than this to bring your Buick back to new-car peak in all those details that mean so much to safety?

Our men, trained in Buick ways, will give you brakes that stop you as Buicks should, with new brake linings that are right in size and brake drums turned to perfect round.

They can replace sealed-beam headlights to give you new-bulb brilliance—and while they're at it, check battery, voltage, wiring and headlamp aim to boot.

They'll check tires, switch them as needed, look into wheel alignment for easy steering.

In a word, they'll renew your Buick with the same care and interest they would lavish on their own—and do it at no greater cost than for just ordinary service.

So drop in. Get set for some summer fun that's up to lively Buick standard.

Check your car— Check accidents!

Three great service and safety organizations across the country are alerting car-owners everywhere this month on safety-checking their cars.

They list ten vital question marks for you to think about—How are your brakes? Light? Tight? Steering? Wheel alignment? Defective glass? Rear-view mirror? Muffler? Windshield wipers? Horn?

Be sure your family rides in safety—ask your Buick service man to look over these check-points this month—and join the great drive for driving safety!

Buick care keeps Buicks best
