

# Olson Hurls 12-4 Winner For Solons Over Yakima

Yakima, Wash., May 27 — Effective pitching by Jim Olson and timely hitting on the part of the balance of the club, combined to give the Salem Senators a 12-4 win over the Yakima Bears Thursday night. It was Olson's sixth successive victory.

Wayne Peterson, Salem's third baseman, led the 16 hit attack off the Drilling brothers, Bob and Dick, with his double and three singles. In the last four games played Wayne Peterson has batted at an average of .556, 10 for 18.

Salem's defense was almost perfect, Bob Hedington, newly acquired first baseman, turning in the only Senator error. He more than made up for the miscue as he collected three singles on the offensive side.

Bob Drilling took the shelling through five and a fraction innings and going into the sixth the Senators were leading 5-1. They picked up six more in the sixth as they continued their attack on Dick Drilling. Ten of the 12 runs were earned.

The win was Salem's sixth in nine starts. As for the Bears, it was their fifth successive loss and their sixth in seven starts.

Bremerton downed Victoria 8-1 as John Marshall racked up his seventh win of the season. Spokane climbed to seventh place on the strength of Ken Kimball's seven hit chugging and a two run homer by Ken Richardson.

Rain checked the scheduled Tiger-Capitano contest at Vancouver.

**Cycle Climbers To Test Wagner's Butte on June 5**  
Eugene, May 27 (Special) — The Northwest's best motorcycle climbers will tackle one of the best hills on the Pacific coast Sunday June 5, Wagner's Butte, located conveniently on highway 99W eight miles south of Corvallis, will be the site of this first big motorcycle climb in the Willamette Valley this year.

A star-studded field of riders, headed by Tacoma's "Monty" Montgomery and Portland's Johnny Martinovich, will be among the participants on the rugged 375-foot slope.

This will be the first climb on the famed Butte since before the war. It is considered an ideal hill for a climb—with a better than 90 percent grade which is solid and fast. It is very attractive to the riders, so attractive in fact that Montgomery, Marion Diedericks of Seattle, Okley Downey of Chehalis, are several other riders of the Washington circuit have foregone other plans to get a shot at the Wagner slope.

Starting time is 1 p.m.

**It Was Simons' Day for Broad Jumping, No Doubt**  
Portland, May 27 (AP)—Albany's versatile George "Junior" Simons should have been broad-jumping yesterday. But he wasn't and he took a 14-0 pasting as Roosevelt of Portland eliminated Albany from the state high school baseball tournament.

Simons, who has a sensational pitching record besides holding the state broad-jumping record, was conked for 9 hits and 12 runs in the six innings he tolled. His control was off, and he walked six, hit two batsmen. One of the blows off him was a grand slam homer by Roosevelt's Ron Phillips.

This made Roosevelt the tourney favorite. The Portlanders now go up against Parkrose at 3:45 p.m. today. Klamath Falls, a 6-2 winner over Oregon City yesterday, meets Eugene in the other class A semi-final at 1:30 p.m.

**Former PGA Champ Says Golfing Is Harder Than Baseball**  
By OSCAR FRALEY

Richmond, Va., May 27 (AP)—Golf has been called a lot of things—particularly by a lot of players—but former PGA Champion Bob Hamilton won't hold still for the "old man's game" designation and insists that golf professionals work hard than baseball players.

"Look at those hands," urged the man who defeated Byron Nelson at Spokane in 1944 to win the crown of his craft.

They are really something to see. The palms are heavily calloused from hitting innumerable shots. And even on the top of the left little finger, where his right hand overlaps, there is a huge, bulging piece of hardened skin.

"You don't get those sitting in the dugout—not there," Hamilton snorted.

"Baseball players think they work hard but they don't know what it is to really work. Do you think a ball player gets out like a pro golfer and his baseballs for hours on end until he sees them in his sleep? And do you think they play in rain and ice like we do?"

Hamilton claims that there never was a baseball player who loved the game like pro golfers love their sport.

"Just remember, despite all these high-sounding purses, for which we play, that the money is split quite a few ways," he said. "Actually it costs most of us money to play the tournament circuit. But we love the competition so much that we just hate to quit."

Hamilton blamed the current lack of young, rising golfers on the fact that the kids of today aren't "hungry."

"There aren't any caddies," he said. "The youngsters make

## Musial and Slaughter Start Slugging Again

Watch the St. Louis Cardinals go, now that Stan Musial and Enos Slaughter have started to hit.

The Red Birds probably can't win the pennant, but they definitely don't belong down in sixth or seventh place. When the Cards limped home from the east, Musial was slumping and Slaughter was so bad he had been benched for a few games. Home cooking and morning practice at Sportsman's park fixed that.

In 10 games at St. Louis, Musial hit .316, batted in eight runs and smashed three homers. Slaughter did even better with a .352 average for the home stand and nine more RBIs.

Both Musial and Slaughter hit home runs last night in the Cards' 13-6 victory over Pittsburgh. It was the third straight for the rejuvenated Birds and their fourth in the last five games.

Ralph Kiner got his 10th home run of the season, for the Pirates to go one up on Johnny Mize.

St. Louis' victory in the only National league game moved them into a fifth-place tie with the Phillies.

When rain washed out the New York-York Detroit game, both the Boston Red Sox and Washington Senators gained a half-game on the leaders.

Now five back of the Yanks, the Red Sox made it six out of eight since their return to Fenway park by dumping the St. Louis Browns, 7-5. An error by Eddie Pellagrini and a close play at second base helped them score four unearned runs.

Cleveland closed its disastrous eastern tour by bowing to Washington 5-4, in a game called after the first of the eighth to permit both teams to make a train connection. The world champs lost 7 of 9 in the east and 10 of 12 since leaving home.

Gene Bearden, world series hero in '48, failed to go the route for the fifth straight time. The lefthanded knuckler was mauled for five runs in less than three innings, although Larry Doby gave him a two-run working margin with his sixth homer in the first.

**Papermakers and Pheasants Win Softball Games**  
Oregon Pulp & Paper and Golden Pheasant remained the only unbeaten clubs of the City softball league following Thursday night's encounters on Leslie field. The Papermakers edged Randle Oil 6-4 while Golden Pheasant beat Rock Wool, 3-1.

Friday night's games will include 12th street vs. K. of C. at 8 o'clock and Mootry's vs. Marine Reserves at 9.

Warren Miller, Pheasant chucker, held the Woolers to one hit while George Roth, losing pitcher, was almost as he gave up but two base blows.

## Cash Set Aside For Silverton Tennis Lighting

Silverton—One hundred dollars was put aside for lighting the new tennis courts by the Silverton Recreation association at its meeting at the Washington Irving building. Estimates indicated that lighting would cost about \$500.

The association was notified that swimming instruction could be given by the summer guard having been trained by the Red Cross at Bremerton without charge and with expenses paid. The city will be informed of this opportunity.

The Association is still searching for a summer recreation director and hopes to employ one with the next two weeks.

## Padres Slug Stars While Angels Trip Portlanders

It looks more and more as if the San Diego Padres will get atop the Pacific Coast league only by taking the lead away from the Hollywood Stars, directly.

Thursday night was the same old story. The Padres slugged out an 18 to 5 win over Los Angeles while the Stars pitched to a 7 to 5 win over Portland. When San Diego wins, so does Hollywood.

The Stars thus maintained their three game lead over the Harrismen. The two tangle in a seven-game series starting June 7.

The Padres climbed three Angel pitchers for 18 hits, including four homers. Max West ignited the home run blast in the first with two aboard for his 17th of the season. Other Padres hittin for the walk-around were Harvey Storey, Dain Clay and Larrupin' Luke Easter who got his 16th. The Padres batted around in the second and the seventh, scoring six runs in each frame.

At Hollywood, Willard Ramsdell knuckle-balled the Beavers with an eight-hit performance. It was his fifth win. He got stellar help at the plate from Al Unser who drove in three Twin tallies in the third with a homer and doubled in another in the fifth. Gene Handley's sticking was fancy too—three singles and a double. The loss was Vince Di Biasi's sixth.

Heinz Becker doubled in the 12th inning at Oakland to score two runs and give his Seattle Rainiers a 6 to 4 win over the Oaks. Becker's double was hit at rightfielder Jackie Jensen, the University of California's great football and baseball star playing his first professional game. Jensen, signed Thursday for a \$50,000 bonus, couldn't quite get to the ball. Jensen flied and grounded out in his two times at bat.

Al Lien southpawed the San Francisco Seals to a 3 to 1 win over Sacramento although the winners were out 8 to 6. Lien was in trouble in only one inning—the eighth. The Solons' only run came then on Len Ratto's double and Joe Marty's single.

## Everybody Doubled—Everyone doubled up on this play in second inning of game between the Detroit Tigers and New York Yankees at New York, but when the dust settled down Detroit Outfielder Johnny Croth (3) was safe at second, and teammate Johnny Lipton safe at first. With Groth on first, Lipton bounced to Yankee Pitcher Tommy Byrne. Byrne threw ball wildly past Yankee Shortstop Phil Rizzuto (leaping over Groth) and Second Baseman Snuffy Stirnweiss (1) into right center field and both runners were safe on error. Umpire John Stevens doubles up to get into the act, also. (AP Wirephoto)

Seattle, Wash., May 27 (AP)—University of Southern California today was favored to win the 19th running of the Pacific Coast conference relays at Washington stadium Saturday.

Mel Patton, "the world's fastest human," was counted on to lead the Trojans' bid for their ninth consecutive cinder championship. Both the 100 and 220 yard dash records appeared to be easy pickings for him.

Patton has set a world's record time of 9.3 for the century, and :20.2 for the 220. The conference records are :9.6 and :21. for the respective events.
