Senior Recital Monday Evening

Program is announced for the senior recital to be given this evening by Miss Aldene Gould, Willamette university student. The program is to be at 8:15 p.m. Monday in Waller hall auditorium. It is as follows:

- Sonata D Major.....Bach-Busoni
- Sonata C Major.....Bach-Busoni
- Chorale Prelude: Awake the Voice.....Bach-Busoni
- Commande.....Bach-Busoni
- Of the masterworks of the chorale-prlude as given up by Bach and served by Busoni in his recital for the piano of the Bach Organ Works we hear this one based on the chorale melody, "Awake, the Voice Commande."
- Finale (A Minor Sonata).....Mozart
- Haydn: 1741-1722. The work of Johann Wolfgang Hassele forms an interesting link in a pianoforte composition between Bach and Beethoven. This finale is an excellent example of his style of composition.
- Sonata Op. 32.....Beethoven
- Allegro con brio.....Beethoven
- Adagio molle.....Beethoven
- Rondo: Allegretto moderato.....Beethoven
- Beethoven wrote this Sonata in 1804, the same year he wrote the Eroica Symphony. This Sonata, which is dedicated to Count von Waldstein, varies from the form of previous sonatas in that the Adagio serves as an introduction to the Allegretto. Resonant with virtuosity, it possesses more grandeur than any of his former Sonatas, and more than any other, has won for itself a place in the concert room.
- Etude D Sharp Minor.....Schubert
- Bazaltie No. 3 F Sharp Minor.....Tcherpnin
- Arabesque E Major.....Debussy
- Scherzo Op. 15 No. 8.....Prokofiev
- Scherzo B Flat Minor.....Chopin

This recital is given as a partial fulfillment for the degree of bachelor of music. The public is invited.
