Don't be a blur! Just as you check your stocking seams when you go out, check also your make-up outline. Is there powder in the edges of your hair or on your eyelashes or eyebrows? Brush it out! Does your make-up leave a visible line somewhere between your throat and the neckline of your dress? Is your lipstick outline a little ragged? Correct these things and make it a habit to check them always before going out. It's attention to these little details that mark the well groomed woman.

## ☆☆☆ We Pay Our ☆☆☆ MEMORIAL DAY TRIBUTE To America's Valiant Dead

On this Memorial Day the nation turns once more in solemn remembrance to the quiet places of the earth, where those who gave their lives for America lie at rest. There the fallen soldiers of democracy sleep in peace. We honor them in our ceremonies and in our hearts . . . knowing full well that nothing we can do, nothing we can say will give complete expression to our gratitude and our love. Only as we match their faith and their sacrifice in our striving to preserve the freedom for which they laid down their lives, can we truly honor them. To us, the living, it means work and great devotion. God grant that it be enough!
