

15,000 Present At Depoe Bay

Depoe Bay, June 1—A crowd estimated at between 14,000 and 15,000 packed this community Memorial day for the fourth annual Fleet of Flowers ceremony commemorating men who have been lost at sea.

Hundreds of wreaths were placed on a flotilla of 31 ships which formed a mass of flowers over the harbor during Memorial day exercises. Wreaths from 43 states and Hawaii were included in the floral tributes.

Mrs. Thomas Sullivan, mother of the four "fighting Sullivan" brothers who died together while serving on the cruiser Juneau, sent an individual wreath.

Headed by the U.S. coast guard cutter Winona, the fleet of flower-laden vessels circled at sea just off the harbor mouth where the official State of Oregon wreath was placed overboard by Maj. General Thomas E. Rilea, adjutant general. The commemoration address was given by Rev. Ralph Waggoner with Donald D. Parker master of ceremonies and Stan Allyn, general chairman.

While the ships were at sea fighter planes from the 142nd fighter squadron of the Oregon national guard and additional planes from the coast guard were in formation overhead.

Unification Job Accepted
Seattle, June 1 (AP)—Dr. Raymond B. Allen, president of the University of Washington, said yesterday he will offer to serve on a part-time basis as director of medical services for the national military unification program.

Motion pictures produced in Argentina are being improved in quality.
