

Stocks Decline Minor Fractions

New York, June 9 (AP)—The stock market loafed along at slightly lower price levels today.

The trend was far from decisive but losses did have an edge over gains. Few stocks moved more than minor fractions either way and numerous key issues remained at Wednesday's close.

Business was unusually slow with neither buying or selling forces inclined to tackle the market on any scale. Turnover was at the rate of only 850,000 shares for the full session one of the smallest totals of the year. Investors and speculators shrugged off good news and bad. The approaching long week-end, plus widespread doubts concerning the future progress of the market, were mainly responsible.

The general price level is now just above a two-year low which was hit Monday. Meager demand has helped the market since then.

Higher prices were paid most of the day for U.S. Steel, Bethlehem Steel, Woolworth, General Electric, Radio Corp., Standard Oil (N.J.), and Twentieth Century-Fox.

Holding back were General Motors, Chrysler, U.S. Rubber, Montgomery Ward, Sears Roebuck, United Aircraft, Western Union, Gulf Oil and United Airlines.

Woodburn Mission To Hold Communion

Woodburn — St. Mary's mission at Woodburn will join in the world-wide observance of the 400th anniversary of the First Book of Common Prayer with the celebration of the holy communion at 11 a.m. on Whit-sunday, June 5. This day marks the close of the winter program of St. Mary's mission with the last session of Sunday school at 10 o'clock. Next week, June 12, the summer schedule will begin with the services at 8:30 a.m. Church school will be resumed in September.

Rev. Earl Baker of Salem will preach at the Bible Baptist church here again this Sunday. His morning service topic will be "God's Command," and for the 7:45 a.m. service, "A Four-fold Look at the Cross." Young people's meeting will be at 6:45 p.m.

Rev. D. D. Priest of the Christian church, who has completed one year as minister, reports an increase in attendance of 35 to 40 per cent in the Sunday school and 30 per cent in the church attendance. A new oil furnace has been installed, new lighting fixtures also installed and the basement remodeled.

Last Meeting for Eastern Star
Gervais—Gervais chapter No 118, Order of the Eastern Star, held its last meeting of the season. The proposed amendments of Grand Chapter were discussed. Mr. and Mrs. Fred McClaughry will attend as delegates when the session convenes June 14. Refreshments were served by Mrs. J. P. Aspinwall, Mrs. J. E. Cutsforth and Mrs. Allen Dean.

Buying Helps in Wheat Support

Chicago, June 9 (AP)—Moderate buying on the part of flour mills supported wheat on the board of trade today. The mills were most active in July, which ran up more than a cent at times. Other wheat contracts did not show the strength of the near-by month.

Buying Helps in Wheat Support

Chicago, June 9 (AP)—Moderate buying on the part of flour mills supported wheat on the board of trade today. The mills were most active in July, which ran up more than a cent at times. Other wheat contracts did not show the strength of the near-by month.

Capital Journal, Salem, Oregon, Thursday, June 9, 1919—21

Mill buying was traced to larger flour bookings, which in turn appeared based on the extended government price support program announced late Tuesday. Some bakers evidently felt that, as a result of the program, wheat and flour prices would not drop as much as had been expected at harvest time. The firm tone in July wheat did not give much help to other commodities. Corn eased as purchases of cash grain on a to-arrive basis from the country increased to around 100,000 bushels. Soybeans and lard recovered from an early sell-off, but dealings were light. Wheat closed 1 1/4 lower to 1/2 higher, July \$1.93 1/4-1.94, corn was 1/4-3/8 lower, July \$1.32 1/4-1/2, oats were unchanged to 3/8 higher, July \$9 1/4-1/8, rye was 1/2-3/4 higher, July \$1.36 1/2, soybeans were 3/4-2 1/4 higher, July \$2.22-2.21 1/2, and lard was 7 to 15 cents a hundred pounds higher, July \$11.20.
