LEARN HOW AN AVERAGE FAMILY CAN SAVE \$10 A MONTH FOR EVERY FAMILY MEMBER ON AN AMANA "6" at a demonstration of freezing, preparing and planning meals the modern way—with a home freezer! Just check and return the coupon below and you will be informed when Amana's home economist will speak in your neighborhood!

LONG ON STORAGE SPACE . . .
Holds 210 lbs. of frozen food—enough for months of meals for the average family!

SHORT ON FLOOR SPACE . . .
Amana had your kitchen in mind when they designed this compact freezer to fit into just 31" x 26"!

SAVE OVER 20% ON FOOD BILLS . . . YOUR FREEZER PAYS FOR ITSELF!

News you'll love is how this amazing Amana pays for itself within a year! Average family food savings amount to \$10 per person—add up to over 20% of the total food bill. Then after a year, YOU pocket the savings for years to come.

Simple to see how, too—when you can do BULK-BUYING at BARGAIN PRICES, pile up economical stocks of in-season foods for luxury eating later when prices go up. You can freeze fresh produce from your own garden . . . serve healthful fruits and vegetables all year

round . . . put an end to food waste by turning leftovers into "planned-overs." Cut down on your kitchen duty—prepare a whole week's meals in one afternoon, then just heat and serve them in a matter of minutes each day. Cut your shopping time down to practically nothing too—fill your freezer up once every two weeks and have an hour a day extra to yourself.

Live better . . . spend less . . . save more with the Amana 6—no other appliance has ever offered so much for so little!
