

## More Marion Cows Rate High

A registered Holstein cow in the C. J. Berning herd at Mt. Angel has hit the top again in Marion county's D.H.I.A. testing. Number 24 produced 2579 pounds of milk during May which contained 121.2 pounds of butterfat.

Peter Mitchell of Mt. Angel, D.H.I.A. supervisor, made the test and has confirmed the record.

Another cow in the 100 pound class is Sunbeam, a registered Jersey, in the Neal Miller herd of Woodburn. She produced 1919 pounds of milk and 101.7 pounds of butterfat in 31 days.

C. J. Berning topped the county herd average too, with 52.5 pounds of fat for 23 cows. Second in May were the 17 cows in O. A. Partons herd of Woodburn with 52.1 pounds. William Frith, St. Paul, was third with 51.7 pounds for 20 cows. Other herds among the top six were: Harry Stewart, West Stayton, 51.7 pounds fat average for 5 cows and H. C. Stuwe, Woodburn, 51.4 pounds with 13 cows. Two herds tied for sixth place, Stephen Hemshors Ayrshire herd with 23 cows at Mt. Angel and Bill Shoonovers Jersey herd with 19 cows at Woodburn, each averaged 48.1 pounds of fat.

One thousand seven hundred thirty-nine cows are now on standard test in 64 Marion county herds, reports Ben A. Newell, county extension agent. Twenty-one more herds are testing 333 cows on the owner sampler plan. Testing is now under the supervision of Peter Mitchell and Don and Leonard Chinn.

Spokane, Wash., June 21 (AP)—No heirs have been found to claim \$43,000 left by a hotel room hermit who died last May.

Attorney Jack D. Freeman made this report in superior court on the estate of William Lane, 62.

"This man was a hermit," Freeman said. "He lived in the same hotel room for 21 years. In all those years he never had a single caller."

"His closet was crammed full of everything and in the back of it was a new steamer trunk. The trunk was packed with new clothing and everything looked as though he planned on taking a trip, but he never took one."

The court appointed Mrs. Mabel Terry, manager of the hotel where Lane lived, to administer his estate in Washington. He had \$20,000 in cash and bonds here another \$23,000 in three California banks.

Average consumption of meat in America in 1948 included 63 pounds of beef, nearly 68 pounds of pork, and 14 pounds of veal, lamb and mutton.
