

# Tacoma Extends Win String Over Sagging Solons, 10-3

Tacoma, Wash., June 24—The awakened Tacoma Tigers ran their longest victory streak of the season to four with a 10-3 conquest of the visiting Salem Senators Thursday night, pulling within a half game of the fifth place Solons. It was the third straight over the Senators and the 8th Tiger win in the last 10 contests.

Tacoma moves across the mountains to open a four game series with the league leading Yakima Bears while the Senator ferry over to Bremerton for a many tilts with the Bluejackets.

Playing errorless ball behind lefty Bob Kerrigan, the Tiger jolted Bill Osborn and Jim Foster for 15 hits, including Dick Greco's mighty blast over the left center field wall with the bases empty. The Tigers staked Kerrigan to a six run lead in the first three frames and he had little difficulty in protecting the margin thereafter.

### Easter Goes to East for Check On Knee Injury

San Diego, Calif., June 24 (AP)—Big Luke Easter, San Diego Padre Negro first baseman who has been sidelined by an old knee injury, left today for Cleveland, where he will undergo further examination.

The decision to send Easter, leading Padre hitter with a .363 average, was reached last night in a conference among Padre Manager Bucky Harris, Padre President Bill Starr and Cleveland Vice President Hank Greenberg.

"Cleveland has every intention of buying Easter from us at the end of this season and the Indians are anxious to know what is what on his knee," Starr said.

The filly Ruthless won the first running of the Belmont Stakes in 1867.

# Hurlers Cool Top PCL Teams; Walks Nip Bevos

San Francisco, June 24 (AP)—Youthful Bryan Stephens of Los Angeles and ancient Dick Barrett of San Diego were hot enough last night to cool off the two top teams in the Pacific Coast League.

Stephens got his first PCL win this season with a three-hit shutout over the second place Seattle Rainiers while Barrett, a longtime Suds hurler himself, kept the Rainiers from losing ground by stumping the flaming Hollywood Stars on six blows.

Both hurlers got some help from their teammates' home runs. Wayne Terwillinger hit one to help the Angels to 3-0 win and San Diego clouded three as they topped Hollywood 8-2.

The other league contests were strictly non-professional with San Francisco beating Portland 4-3 in a game in which all runs were scored as a result of walks. Oakland toppled Sacramento 9-8 as nine pitchers filed to the mound to take their lumps in a free-hitting game.

Relief Pitcher Manny Perez pitched excellent ball for the Seals after taking over when Steve Nagy developed a wild streak in the second inning. Nagy had made the Beavers a gift of three runs in that frame with four walks, a hit batter and on single. Perez kept the plate uncluttered while the Seals scored single runs in the fifth, sixth, seventh and eighth innings, all the tallies coming as the result of batters passed by Relief Pitcher Bill Fleming. Roy Partee drove in the winning run for the Seals.

# Predict Vulnerable Champ To Stimulate Boxing Game

Chicago, June 24 (AP)—Abe J. Greene, commissioner of the National Boxing Association, predicted today that the coronation of Ezzard Charles as champion would stimulate activity not only in the heavyweight division but in other boxing classes.

Before returning to his home in Paterson, N. J., the commissioner said, "Young heavies all over the world will have a target to shoot at now—a champion who does not appear as formidable as did the great Joe Louis.

"Louis was an idol of the boxing world—of fans and fighters; but he seemed such a superman that most young heavies doubted they could ever attain the prowess necessary to beat him. That was the chief reason why so little heavy talent was developed during his 12-year reign."

# Jary Girls Top Washougal, 10-7

Jary Florist girls softball team continued their winning ways in the Portland league Thursday night by defeating the Washougal girls 10 to 7 on Buckman field. It was the first start for pitcher Jackie Gardner who allowed only five hits. Washougal runs were the result of Gardner giving heavy hitting Mikas the wrong ball on two occasions who promptly slapped it for as many home runs, runners being aboard both times.

The Salem girls came through with some good stick work of their own. Dorothy Richardson getting four for four and Darlene Scharf a home run and single out of three trips.

# Stunt Men Set for Friday Show at Hollywood Arena

Ten Hollywood stunt men, each with a heavy throttle foot and nerves of iron, will crash and career about Hollywood bowl Friday night in a two-and-a-half hour show sponsored by the Salem Police Aerial patrol.

Featured in the evening of excitement, which begins at 7:45 are the famed Satan's Hell Drivers, a troupe of daredevils who mercilessly punish automobiles and motorcycles.

Rolling over in a speeding car, crashing into a sheet of ice, leaving a car through space to land on top of another car, riding a motorcycle through a flaming hoop several feet off the ground, crashing head first through a blazing board wall, these are but a few of the feats to be staged by the Hell Drivers.

An added attraction will be a stock car race between members of the Hell Drivers troupe.

Twenty-five members of the Salem Motorcycle club will be on hand to give an exhibition, and the 30-piece Salem high school band will provide a peppy concert.

Proceeds from the show go to the Salem Police Aerial Patrol in their campaign to raise funds for the purchase of an airplane for emergency police and civilian use.

The lowest won-lost percentage ever compiled by a major league pennant winning team was the .578 of the 1926 St. Louis Cardinals.
