

Yankee Pitcher Needs Tip on Tiger Slugger

Tommy Byrne would like a tip on how to pitch to Johnny Lipon.

Lipon, .250 hitting Detroit shortstop, twice this season has blasted Byrnes' hopes of pitching a no-run, no-hit game. Johnny first played the villain's role last May 8. Byrne had a no-hitter going through six innings, but Lipon greeted the New York Yankee lefthander with a single to start the seventh. He collected the second of Detroit's three hits in the ninth, as Byrne came through with a 12-0 victory.

Lipon was all that stood between Byrne and a no-hitter last night at the Yankee stadium as Tommy hurled another 12-0 shutout against the Tigers.

A crowd of 55,591 had visions of the first hitless game by a Yankee pitcher since Monte Pearson shut out Cleveland 11 years ago, as Byrne mowed down the Tigers without a safety for seven innings.

Then came the eighth—and up strode Lipon. Byrne threw a high inside curve. Lipon swung and the ball sailed on a line toward the left field corner. It landed just inside the foul line—fair by a foot. The partisan crowd groaned as Lipon crossed first with a single—the only hit of the game by the Tigers. Eddie Lake, Tiger third baseman, walked on each of his four trips to the plate.

"I wouldn't have minded it so much if he had gotten his first hit off a strike pitch," Byrne said later.

Rookie southpaw Maurice McDermott pitched the Boston Red Sox to a three-hit 7-0 victory over the St. Louis Browns. Recently recalled from Louisville, McDermott faced only 28 batters in chalking up his second victory.

Alex Kellner—another rookie southpaw—registered his 10th triumph pitching the Philadelphia Athletics to an 11-4 victory over the Chicago White Sox. Kellner gave up five hits in becoming the first lefthander in the majors to win 10 games.

A lefthander—Joe Hatten—kept the Brooklyn Dodgers in first place in the National League, pitching the Brooks to a 7-2 triumph over the Reds in Cincinnati.

Lefty Howie Pollet enabled the St. Louis Cardinals to stay within a half-game of the Dod-

ers, pitching the Redbirds to a 10-6 triumph over the New York Giants.

Southpaw Warren Spahn, aided by a 15-hit attack against five Chicago pitchers, chalked up his ninth victory, pitching the Boston Braves to a 12-5 victory over the Cubs.

Lefty Curt Simmons went all the way for Philadelphia as the Phils swamped the Pittsburgh Pirates, 9-3.

Early Wynn was the only righthander to notch a victory, but even he needed help from a lefthander, getting it from Frank Papish in the ninth to receive credit for Cleveland's 4-3 triumph over the Washington Senators.

Frisco Fans Find New Hero in Pirate Slugger

New York, June 23 (AP)—The Legion of Italian fans along San Francisco's Fisherman's wharf who have been sad all season because they can't cheer for Joe DiMaggio found a new slugging star to cheer for today in Dymally.

Like DiMaggio Restelli is an Italian who came up from his native San Francisco, and like the injured Joltin' Joe, he has made a tremendous start in major league competition. The youngster has five homers for his first nine major league games and if he continues at anything like that pace, may approximate DiMaggio's first year pace with the Yankees of 1936 when he hit 29 homers. DiMaggio played a full season and Restelli will be around little more than half, so if he can bang out a total of 15 homers his Italian supporters will be calling him the "new DiMaggio"—and he will take away the sadness at not being able to cheer for their "Giuseppe."

Restelli hit two homers yesterday as the Pirates finally stopped the high-speed Phils, defeating them, 12 to 3.

Fishing Rodeo To Be Sponsored In Salem Area

Full scale participation in the second "Better Fishing Rodeo," a nation wide project involving some 2,000,000 boys and girls 13 years old and under, is planned for the Salem area. Howard Wicklund of Maple's has been named director in charge of the program locally by Mayor Robert L. Elfstrom.

The avowed purpose of the "rodeo" is to introduce the younger generation to the recreational values of fishing. Participants are asked to register

at Maple's for the tournament that will extend through August 27 when the youngster who has caught the largest fish of the trout species will be awarded with a grand prize of a complete casting outfit.

In addition to the grand prize, Maple's will award weekly prizes. The fish must be brought to the store for weighing and measuring. After that they are at the disposal of the owner. Either lake or stream caught trout will be acceptable.

Office Visits Vs. Home Calls

By J. B. WILLETT of the Capital Drug Store

Treatment at a doctor's office is always more convenient for both patient and doctor. Here the doctor has everything he needs at his fingertips... medical aids he could never carry in his black bag. Then too, he can examine you more completely and more quickly than at home.

Don't wait until you are so ill you can't get out of bed. Serious illness is costly in both time and money. Play safe. Visit your doctor frequently, keep up treatments he recommends, take medicine as prescribed. Purchase his prescriptions from a druggist where professional work receives the first consideration.
