

New Schedules, Routings Listed by Transit Lines

City Transit Lines announced today new schedules and revised routings of the Salem city lines that will be effective July 3. The changes are simultaneous with the increase in fare to a straight 10 cents, and the two, said Salem Manager R. J. Davidson, are an attempt to put the company operations on a sound basis.

"We believe a majority of our patrons will benefit from the change," Davidson said.

New schedules may be obtained from bus drivers. The new routings are listed below:

Madison avenue route: Will operate from State and Commercial via Commercial, Chemeketa, Church, Market, Summer, Madison, 20th, Market to end of route. Returning from end of line via Market, 20th, Madison, Summer, Market, Church, Chemeketa, Commercial to State and Commercial.
