

'NOT ME—THREE OTHER GUYS'

Modest Soldier Described As Hero in Hotel Fire

Aberdeen, Wash., July 5 (U.P.)—An 19-year-old soldier who rescued seven persons from the burning Lafayette hotel drew high praise from firemen today but he modestly disclaimed credit.

Pfc. Gerold Ramey of Olympia, Wash., badly burned in his repeated trips into the flaming building, spurned the role of a hero, saying "It wasn't me. It was three other guys."

Deposits Grow Near \$6 Million

In answer to the June 30 call of the comptroller of the currency, the Salem branch of the First National Bank of Portland reports deposits of \$17,595,822.40 and loans of \$7,277,876.38. In charge of the local bank is Guy N. Hickok, manager.

A year ago the figures were, deposits, \$11,680,928.18, and loans, \$7,024,408.14, Hickok said.

President F. N. Belgrano, Jr., stated that for the First National group of 61 banking offices, as a whole, the June 30 statement shows loans of \$181,397,739.97, and deposits of \$554,856,546.84. A year ago, with 58 banking offices in the group, the figures were, deposits, \$572,979,049.71, and loans, \$163,875,390.13.

President Belgrano pointed out that the decrease in deposits since June 30, 1948, reflects the readjustment of business to a more normal level and the slackening of the post-war surge of consumer buying and are in line with a nation-wide trend.

Bock Transferred to State Headquarters

Fred Bock, for the past three years state horticultural inspector in Clackamas and eastern Multnomah counties, has been transferred to state department of agriculture headquarters at Salem.

The transfer has already been made and Bock is now handling nursery inspections in Marion, Polk, Linn, Benton, Lincoln, Douglas and Lane counties.

This announcement was made today by Frank McKennon, chief of the division of plant industry for the department. Bock served as county horticultural inspector in Clackamas county from March 1931 until 1946.

McKennon also said Bock's work in Clackamas and Multnomah counties has been taken over by Floyd Markham, who has been doing produce inspection work for the department since 1936 with the exception of war service in the air corps.

Bock expects to move his family to Salem shortly from Oregon City, where he has resided many years. Markham will continue to reside in Portland but will make his headquarters at the office of the county agent in Oregon City for the horticultural inspection work in Clackamas county.
