

Demos Join Recall Fight

Portland, July 13 (AP)—Two young democrat leaders have joined Multnomah county young republicans in sponsoring organization of a committee to work for the recall of Sheriff M. L. Elliott.

Don C. Walker, president of the county young republicans, said a public meeting tomorrow night would name officers of the group directing the campaign.

A new recall notice, which must be followed up within 90 days with petitions bearing some 20,000 signatures, is planned. A recall notice Monday by two republicans was declared yesterday to be faulty.

Walker announced after a conference yesterday that he and Walter Dennis, president of the Multnomah county young democrats, John M. Winkler, first vice president of the young democrats of Oregon; R. J. Burke and Max Donnelly, Portland republicans, were calling the public meeting.

Neither of the two young political party members organizations are to have an official part in the actual campaign, Walker said. "Somebody had to start it and we felt this was the best way," he explained.

Elliott still was keeping quiet after an initial reply to the recall action in which he said he "had only begun to fight" to stay in the office he took over in January.

33 Fires Rage in Malheur Forest

(By United Press) A 1,500-acre fire in the Malheur national forest, touched off Tuesday during a lightning storm, was still burning out of control.

Federal forest service dispatcher Guy B. Johnson said stiff winds, low humidity, and high temperatures were hampering fire fighters.

The storm started at least 35 fires in the forest. All but one, however, have been put out, Johnson reported. The Malheur blaze is about 35 miles northwest of Burns, Ore.

Johnson said 100 additional fighters have been sent into the region to join the 125 men already there.

One fire in western Oregon, covering 400 acres in Coos county, was under control.

Farmer's Daughter Vows to Wed Texan

Astoria, July 13 (AP)—The farmer's daughter who ran off to Texas with 20-year-old Leroy Allcorn held his hand in jail and vowed she'd marry the young Texan.

Allcorn is in the pokey because of worthless checks he gave Mrs. Marguerite Marshall's father, E. M. Butts, for a farm and an automobile dealer for a

Two Nazis Bombs Endanger Patients

Mrs. Marshall, the 27-year-old mother of two youngsters, plans to obtain a divorce from her husband, a soldier at Fort Knox, Ky. Allcorn blames the whole affair on love.

"I must have just gone crazy," he said, while explaining why he bought the car and took Mrs. Marshall to Texas.

The Bronx zoo has had more than a hundred million visitors since it opened nearly 50 years ago.

Two Nazis Bombs Endanger Patients

London, July 13 (AP)—Ambulances removed 360 patients today from a hospital endangered by a World War II bomb buried across the street.

The bomb, dropped by a German plane in 1941, burrowed 25 feet in the ground without exploding. A disposal unit found it Monday.

Patients evacuated were in

wards facing the bomb. They were taken home or to other hospitals.

Another 225 patients were permitted to stay.

The disposal unit will decide tomorrow whether to dig the bomb out or try to de-fuse it on the spot.

House Warming for Those Who Built Place

Chicago (AP)—There was a new and different kind of house

warming at Harold L. Perlman's new home in suburban Glencoe.

The guests were the men who built the place — carpenters, roofers, plumbers, electricians, painters — and their wives. Owner Perlman put on the party to show his appreciation.

Commented Mrs. Albert Hummert, whose husband installed the heating system: "It was the first time any of us had ever been to a party like that — and some of the men have
