

Dam Providing First Aid; Construction Has Progress

Mill City, July 14—There now is first aid quarters located at the Detroit damsite with a male nurse in charge. One ambulance is kept at the site and eventually Consolidated Builder's Incorporated plans to have one other ambulance added and kept there for emergencies.

Workers at the dam reported that the ambulance recently made the trip from the site to a Salem hospital in less than an hour when one of the C.B.I. employes was critically injured on the skull from flying rock blasted from the diversion tunnel. First aid quarters are at present in a temporary building while a permanent location (until dam is completed) is constructed.

Structural work on the C.B.I. main office building and machine shop which is being built at the damsite is progressing rapidly and head engineer, Vincent Palmer, states that the office building would be completed and ready for occupancy the latter part of August, however, the date for completion of the machine shop is as yet indefinite.

Diversion tunnel for the North Santiam river is expected to be ready the latter part of September. Workmen gained about 100 feet on the upstream portal last week and work was started on the downstream portal the fore part of this week. Upon completion of the two portals the Shae Construction company, sub-contractors, will be enabled to start excavation of the 1400 foot tunnel from both ends.

Chief engineer, H. H. Roberts from the East has been in the Mill City office for several weeks.

'Aviation Day' For Mill City

Mill City—It will be "Aviation Day" in Mill City Sunday with more than 150 planes of visiting pilots expected to arrive at Davis airport that day for the event. The Mill City Chamber of Commerce will act as hosts to the visitors and guests at the airport for the breakfast, featuring barbecued

beef sandwiches, corn on the cob and coffee. Following there will be an award of prizes (furnished by Mill City business concerns) for the best and worst landings, youngest and oldest pilots and a number of others which has not been decided upon. The public is invited to the morning affair, however, and the air show is scheduled for 2 p. m. at the Davis field.

Among the events on the program for the afternoon show includes a parachute jump to be made by Shorty Stark, of Sil-

verton, an Army parachute instructor during the war. Captain Hammons and Lt. Moeris, of the 2nd Inf. Division, Fort Lewis, Wash., will pilot two helicopters from which is expected some unusual and spectacular flying.

Committees appointed for Aviation Day include: Serving breakfast—Harold Kiewer, George Veteto, J. C. Kimmel.

Legion Groups Picnic
Lafayette—Dayton and Lafayette posts of the American Legion and their auxiliaries met in the Yamhill River Locks park for a pot-luck dinner. About 100 people attended.
