### 1. Large Grills

For Free passage of radiant and natural heat.

### 2. Heat Saver Baffle

U-shaped baffle greatly increases flame travel to give more heat from less fuel.

### 3. Big Heat Chamber

Seam welded, heavy gauge steel means greater heating surface and longer life.

### 4. Finger Tip Control

The handy finger tip control is out of the way, yet easy to reach.

### 5. Leg Levelers

Built in adjustable leg levelers to assure proper oil flow on all floors.

### 6. Compact Fuel Tank

Streamlined, ample capacity, sturdily constructed.

### 7. Fuel Control Valve

Automatic, accurately maintains exact fuel flow for the amount.

### 8. Glass Inspection Door

Convenient flame inspection, burner lighting and cleaning.

### 9. Vaporizer Burner

No moving parts. Longer life, less repair service. Quiet and efficient.

See these beautiful, efficient "Evans" oil heaters today at Fred Meyer. You'll want to purchase yours now at these amazing savings. Act fast—limited quantities!

All models complete with tanks. All are brand new. All are underwriters approved.
