'Drive In' Church—The Rev. Norman L. Hammer, pastor of the Emmanuel Lutheran church in North Hollywood, Calif., moved his pulpit and organ into the parking lot and opened the first drive-in church. The 36-year-old parson said that a lot of people like to go to the beach or the mountains on Sunday and that if they can come to church in their old clothes that a lot more would attend. The initial experiment brought out 54 cars holding some 160 members of the congregation.

Look Right! Feel Right!

By of the Capital Drug Store

It is said that posture reflects health, but it works the other way around, too. If you make it a point to keep a good carriage, walking, standing and sitting you just feel better.

So good posture not only improves your health it gives you a feeling of well being, it makes you more alert in both body and mind. Most posture faults are easily corrected. With a little conscious effort you can establish better posture habits in about a week's time.
