Stocks Decline Soon Checked

New York, July 28 (AP)—A downward trend in the stock market was soon checked today.

A floor was found after a wide variety of issues sold at fractional losses. Very slight efforts at a comeback developed in late trading and some declines were trimmed or erased.

Turnover was at the rate of around 800,000 shares for the full session.

The market was at the rate of around 800,000 shares for the full session.

The market bogged down yesterday as it did today after reaching the highest level since May 19.

General Motors' excellent earnings report for the June quarter failed to dent the stock, which seceded in a fractional range through the day.

Tending lower most of the day were Republic Steel, Studebaker, Montgomery Ward, Sears Roebuck, Western Union, Commonwealth & Southern, American Woolen, Texas Co., and Mission Corp.

Steadier spots included Chrysler, Woolworth, Wrigley (helped by a extra dividend), American Telephone, American Can and Standard Oil (N3).

Butter Prices Up Cent Pound

Butter and butterfat advanced one to two cents all along the line here Thursday morning, the first change for many weeks in this produce. The changes followed similar ones in Portland. Press dispatches said the boost at this time was due to an impending three-cent advance in the government support price September 1. Although production is declining it is still well ahead of demand.

In the local list the new butterfat prices, buying quotations, are as follows: Premium, 64-65 cents, a one to two-cent boost; No. 1 quality, 63 cents, two cents higher; No. 2 quality, 57-59 cents.

The new butter prices are 87 cents on grade A, wholesale, and 72 cents on grade A, retail.

Egg prices which have been steadily climbing remained unchanged in Thursday listings.

Gardens Are Popular

Unionvale—Mr. and Mrs. Lester Holt entertain many guests daily at their home here who come to see the floral garden containing thousands of the finest blossoms of various shades of gladiolus, begonias and many other flowers in profusion.

Soybeans, Lard Advance Sharply

Chicago, July 28 (AP)—Soybeans and lard ran away from the rest of the market on the board of trade today.

Opening as much as 7 cents higher on a rush of buying orders, soybeans slumped a few cents around mid-day and then came back to push to new highs for the day late in the session.

Grains never did very much at one time wheat and corn were down more than a cent, but part of this loss was reduced late in the session. Rains in Canada and the northwest were considered helpful to wheat crop prospects.

Wheat closed 1/4-1/2 lower, September \$2.05-2.05 1/2, corn was 1/2 lower to 1/4 higher, September \$1.28 1/2-1/4, oats were 1/4 to 1 cent lower, September \$1.53 1/4-1.53, soybeans were 8 1/4 to 8 cents higher, November \$2.38 1/4-2.39, and lard was 25 cents to 35 cents a hundred pounds higher, September \$11.95-11.92.
