Eat Your Way To Health

By J. H. WILLETT of the Capital Drug Store

Doctors today know that the food an individual eats has a good deal to do with his state of health. Poor diets over the years are a direct cause of certain bodily weaknesses that make people susceptible to disease.

Sometimes through concentrated doses of the elements lacking, damage is repairable. However the nutritious diet followed daily is less expensive and passeally fit makes you more physically fit and mentally alert through the

Ask your doctor to recom-mend a diet and check with him Rely on an experienced pre-scriptionist for all drug needs.
