

Solons Outmaneuver Caps, 9-8

11th Inning Homer by Bud Peterson Decides Opener

Vancouver, B.C., July 29—Managers Bill Beard and Bill Brenner maneuvered pitchers like pawns on a chessboard last night as they sought to capture the first game of the last series of the season between the two clubs at Capilano park. Each side threw four moundmen into the struggle before the Salem Senators edged the Caps 9 to 8 in 11 innings. Gene Peterson, third Solon to occupy the hillock, got the win while Bob Costello who followed Bob McLean and Hank Anderson, was charged with the loss.

Stu Fredericks, a manager Beard's initial choice, went into the ninth nursing a 6-4 spread, but his control, which had been virtually perfect, deserted him and he walked the first two men up. Both scored without benefit of a hit on an infield out and an error and Cal McIrvine came in to pitch. He immediately walked Charlie Mead to load the bases and Gene Peterson was assigned the job of facing Dick Sinovic. This he did right successfully as he forced the Cap center fielder to ground out. Sinovic had previously hit a home run and two singles.

Neither side got a man across in the 10th, but in the 11th, with one out, Marty Krug reached first on an error and went to third when Bill Beard hit the right field wall for a single. Bud Peterson hit the first pitch for a home run over the short right field fence and three runs clattered across the plate.

The Caps came right back at the Solons and after Bill Brenner, pinch hitting for Pitcher Jim Hedgecock, had been retired on a fly ball to Snyder, Jim Robinson drew a base on balls. Ray Tran's single sent Robinson to second and when Len Tran was issued a pass on four straight pitches the sacks were loaded with one out. Peterson again pitched four balls to force Robinson home.

Bob Drilling came in at this stage of the game and Sinovic hit the first pitch on the ground forcing Mead at second as Ray Tran scored. One run short of knotting the count Bud Sheely, a 337 hitter, sent up a fly to Bob Cherry in short center.

Bud Peterson hit two home runs and Marty Krug one as they took advantage of the Caps' 275 foot right field fence.

It was Bud Peterson's bobble of Ray Tran's grounder that permitted the Caps to knot the count in the ninth, but the Solon shortstop more than made up for it as he blasted his three-run homer in the 11th.

Vancouver's defeat, coupled with Yakima's split at Victoria dropped the Caps five full games behind the league leaders. Salem, however, climbed into a tie for sixth with Victoria.

The Bears dropped the first game, 5-0, but won the nightcap, 9-3. At Bremerton the Bluejackets made it three in a row over Spokane in winning, 9-7 for their sixth straight triumph.

Tacoma also posted a series sweep with Wenatchee as the victim, 6-5.

Bremerton Fans To Study Chance Of Holding Team

Bremerton, July 29 (AP)—Interested businessmen were to meet with officials of the Bremerton Western International League club today to see if the team is a good investment. A meeting was set for 1 p. m. The businessmen and fans became interested in the purchase when Willis Shepherd, majority stockholder, announced several days ago he had his interest up for sale. Several other northwest communities reportedly are dickering for the franchise.

Nestucca, Nehalem and Wilson Listed for Bites

Best fishing prospects in the Salem area for the weekend should be in the Nestucca, Nehalem and Wilson rivers in tidewater according to the weekly bulletin of the state game commission. All streams in Tillamook county are in good shape following the recent rains. Fair catches of cutthroat have been taken daily from the Nestucca and Nehalem. While water conditions on the McKenzie and tributaries are reported "excellent," spotted fishing has resulted on the side streams and "good" catches have been made on the main stem. Clear and Linton lakes are spotty with few big fish caught. Across the mountains in the Deschutes area best fishing is reported from East, Paulina, Croire Prairie and South Twin lakes. The fish are mostly small.

Barron Recalls Whiffing Four Shots on One Hole

By FRANK ECK (AP News-Sports Editor)

New York (AP)—Have you ever swung at a golf ball and hit nothing but thin air? Forget it if you have. It happens to the best of golfers.

Herman Barron, popular pro at the Fenway Golf club at White Plains, N.Y., once missed four shots on one hole. And it wasn't so long ago, either.

Fifth of a Series

"Let me tell you about the one I had on one hole in a tournament at the Dallas, Tex. Country Club," says Barron. "It was the par 5 ninth hole. I had no penalty shots — no out of bounds drives, no unplayable lies and there were no water holes.

"On the fairway I whiffed twice at the ball, never even touched it. Then one of my shots went against a tree. I never even came close to hitting the first shot at that spot. Then I was against a fence. And there I whiffed a shot. That was in 1944."

Two years later Barron won the richest prize in golf, taking down \$10,500 in Chicago's Tam o'Shanter tournament. That same year he missed winning the National Open by one stroke at Canterbury in Cleveland. Last year at Wykagyl, New Rochelle, N.Y., he won the famed Goodall Round-Robin against a field of 15 of the world's best golfers.

"That nine has taught me never to laugh when a golfer—even a duffer—misses a stroke," says Barron. "I missed four in 1944." Tomorrow—Snead and Locke.

Far West League Team to Disband After July 31

San Francisco, July 29 (AP)—The Vallejo Chiefs of the far west league will be disbanded July 31, league president Jerry Donovan announced today. No action has been taken on the use of the Vallejo charter by another city, Donovan said. The Vallejo team has been a "road club" since July 12 when it was locked out of their home park following a financial dispute with the owners, Donovan said "the league paid the salaries just as long as it could. We finally reached the bottom of the barrel and had to call it quits."

Golfers without handicaps may receive one by turning in a 18-hole card.

Collegiate Sportsmen Veto Proposal on Czar

New Castle, N.H., July 29 (AP)—Athletic commissioners governing more than 160 of the nation's colleges were on record today as opposed to a supreme national supervisor for intercollegiate sports. The college sports heads voiced unanimous disapproval of a commissioner with the broad powers professional baseball has given A. B. (Happy) Chandler as the 11th meeting of the National Association of Collegiate Commissioners closed yesterday. As soon as the idea of a national supervisor was mentioned, Bernie Moore of Birmingham, Ala., the southeastern conference's representative, sounded his opposition. His nine co-commissioners nodded their heads in agreement. Earlier, the commissioners pledged their assistance to the N.C.A.A. "sanity code," designed to curb eligibility violations. The college sports heads agreed with Victor O. Schmidt of the Pacific coast conference who declared that "there is a need for legislation by the

OP&P Noses Oils In Softie Race; Wools Forfeit

Oregon Pulp and Paper, running neck and neck with Mootries for City softball league leadership, nosed Randle Oil Thursday night, 4-3, as two errors and a base blow by Gordy McMorris accounted for two runs in the last half of the sixth. Up until that time O.P. & P. was trailing, 3-2. The Campbell Rock Wool-Golden Pheasant tilt went to the latter via the forfeiture route when the Woolers failed to produce a full team. An exhibition contest went to Rock Wool, 8 to 2 in five innings. Hagador, a Pheasant player, operated under the Rock Wool flag in the exhibition and slammed a homer in the fifth with the bases loaded. Clear Lake dumped Paper Mill, 5-2 in an industrial league fray.

Cleveland left the stadium for a five-game series at Boston, opening with a day-night doubleheader today. With Dom DiMaggio on a 23-game hitting streak and leading the league with a .344 average, Boston again is in a position to challenge. Joe McCarthy's team lost a win yesterday when American League President Will Harridge ordered the Sox and Washington to complete a six-inning game on July 7. Boston led 8-3 when the game was called to permit the Sox to catch a train. They'll play the final three innings before their August 20 game. McCarthy got another well-pitched game yesterday from Ellis Kinder, who scattered seven Chicago hits for his 11th victory, 6-1. He might have had a shutout but for an error by Vern Stephens. Dizzy Trout's homer with the bases full featured a seven-run ninth-inning Detroit rally for a 13-7 victory over Washington. A scheduled St. Louis-Philadelphia night game was rained out.
