

MacDonald Put Back by Elliott

Portland, Aug. 6 (AP)—If democratic Sheriff Marion Leroy (Mike) Elliott of Multnomah county is recalled, a democrat will be named to succeed him.

Recall petitions continued in circulation as the sheriff dropped the charges that touched off the recall move.

Those were his charges against Criminologist Stanley MacDonald. Yesterday he reinstated MacDonald with back pay, and did not ask for a hearing on the charges that MacDonald had misused materials and was insubordinate.

Linn Bean Harvest Now Reaching Peak

Albany, Aug. 6—The bean harvest peak in western Linn county this week is providing jobs for some 4,500 workers, both local and transient, Bill Sloan, manager of the local Oregon state employment office, asserted Friday. Additional labor is still needed on a few of the area's 40 beanyards.

"The crop is hitting its peak just about now," the local manager said, "and it should last for a week or so before declining. New yards of beans will come in next week, taking up the slack caused by dwindling production of yards that hit their peak last week and this."

Wages for the harvest this year are a standard 2 1/2 cents a pound, plus 1/4 cent a pound bonus for staying on through the 13 and 14 years old are picking anywhere from 120 to 300 pounds a day, he stated.

Small, Hot Object Found in Back Yard

Milwaukie, Aug. 6 (AP)—Mack Thompson found a small, smoking what-is-it in his back yard near here. When he called police, it baffled them too. Now it is in a laboratory for tests.

Thompson said the round object, hard as a rock, was hot enough to start a grass fire when he found it last Saturday night. He buried it.

When police dug it up Monday and scratched it with a stick, it gave off sparks and the stick began to smoke, he said. Results of the laboratory analysis have not been told yet.

Super Show at Fair Grounds

The show put on by the American Legion at the State Fair grounds Friday night came near to being, and in the opinion of many was, the climax of a week of super attractions, events and stunts.

The show led off with the Second Division's Fourth Infantry band, and a combination of the band's Scottish pipers and those from Ashland.

Following a fine series of acts with Norman Anderson of Portland as master of ceremonies. The headliner was Eddie Dean, cowboy radio and movie artist. There was the finest pair of jugglers ever seen in Salem. Tumblers, acrobats and animal acts were of top class.

It rained a little, and the attendance was under expectations, but was enthusiastic.
