Chicken Liver Entree
Ingredients: 1/2 pound chicken livers, 2 tablespoons butter or margarine, 1/2 cup thin strips onions (2 small onions), 1/4 cup thin strips green pepper, 1/4 cup thinly sliced celery crescents (1 medium-size stalk), 1/2 cup commercially prepared sour cream, 1/4 teaspoon salt, 1/8 teaspoon finely crushed dried rosemary.

Method: Wash the chicken livers in cold water and pat dry. Halve, cutting away stringy membrane, then cut each half in two again. Melt the butter or margarine in an 8-inch skillet, add the onion, green pepper, and celery and cook over low heat about 10 minutes, until partly softened. Add the chicken livers and stirring frequently, cook until done and no red shows when cut through—about 5 minutes or longer. Add the sour cream, salt, and rose-

mary; stir thoroughly. Cover skillet and heat over low heat—about 5 minutes. 2 servings.

Note: To cut onions in thin strips peel, slice off ends and quarter; now cut each quarter down lengthwise in thin strips and separate in pan with a wooden spoon as they are cooking.
